

EULESS TODAY

Dear Citizens,

Now that the weather has cooled down it's time to replenish those shrubs and trees that could not survive the long, hot summer. If you have questions about what and how to plant material for our area the Parks Department is just a phone call away.

October is a busy month with activities in the Library, Parks, Neighborhoods, Schools and Police and Fire Open Houses.

The Police and Fire Open House is a wonderful opportunity for citizens to meet our Safety Experts as well as the many Alumni Volunteers. There will be activities for all ages.

The Library Book Sale benefits many activities in our Library and all items are very inexpensive.

It's time to apply for Boards and Commissions. There are many ways to Volunteer and with all the activities in Eules we need Volunteers.

Enjoy the cool weather!

Stage One Watering Restrictions Implemented

In an effort to conserve water supplies, Eules is implementing Stage One Watering Restrictions on August 29. Stage One limits outdoor watering to two-days a week. Current time-of-day restrictions, prohibiting outdoor watering between 10 a.m. and 6 p.m., will remain in effect. This restriction applies to watering with sprinklers or irrigation systems. Hand watering, soaker hoses and drip/bubbler systems, used to protect home foundations or tend to trees and shrubs, are allowed anytime.

Start weaning your lawn now from water dependence by watering deeply and infrequently. Light daily sprinkling does little to alleviate stress of plants growing in hot, dry soil. Give plants a weekly soaking at a depth of 4-5 inches. Water deeply once a week and your soil retains moisture for several days.

Think of your soil as a sponge. If you water too long, the soil reaches a saturation point and water flows into the gutter. Many soils will not take an inch of water before runoff occurs, so break up the watering into segments to give the earth time to soak up the water. For example, water for 15 minutes and then let it soak for 45 minutes. This allows moisture to penetrate deep into the soil where roots can readily absorb it.

KNOW YOUR WATERING SCHEDULE:

- Monday – no watering allowed
- Tuesday/Friday – Commercial sites (apartments, businesses, parks)
- Wednesday/Saturday – Residential addresses ending in 0, 2, 4, 6, 8
- Thursday/Sunday – Residential addresses ending in 1, 3, 5, 7, 9

Reclaimed Water Keeps Eules Green

The City of Eules has begun using reclaimed water from the Village Creek Wastewater Treatment Plant in Fort Worth to irrigate Texas Star Golf Course, Softball World and the Parks at Texas Star.

The Texas Star Sports Complex is comprised of over 300 acres of land. Reclaimed or "recycled" water is produced from the water we use and discard every day. After proper treatment, it is ideal for many non-drinking purposes such as landscape watering. Reclaimed water is quickly becoming a valuable resource and is a practical method of relieving the demand on potable water supplies. Every gallon of reclaimed water used for outdoor watering represents a gallon of potable water saved for drinking.

Since it is treated wastewater, it is not subject to drought restrictions and may provide additional nutrients to the turf, which makes good environmental sense. By using reclaimed water, we're working together to protect our environment now and in the future. It provides an efficient use of the region's water resources while conserving valuable water supplies.

CPR Stat!

Homes in Hurst, Eules and Bedford will be revitalized in the third joint blitz on October 14-15. Volunteers are needed for home repair, painting, landscaping, light construction, carpentry, plumbing, electrical, and roofing. There is something for everyone no matter your skill level. Site captains and experienced team leaders will be on site at each home to lead the effort. Sign up to volunteer today by visiting www.6stones.org.

Be a Crud Crusader!

On Saturday, October 8, bring your crud to the Crud Cruiser at the Eules Municipal Complex, 201 N. Ector Dr. from 9 - 11 a.m.

Space is limited. The mobile collection unit can accept material from approximately 125 households. If the unit reaches its capacity before you arrive, you may deliver your materials to the Environmental Collection Center (ECC) in east Fort Worth. You may also bring any small electrical appliance you would like to recycle...computers, monitors, radios, VCRs, stereos, clocks, hair dryers, lawnmowers, and office equipment.

For a complete list of what the Crud Cruiser and the ECC will accept, please call 817-685-1410 or visit www.eulesstx.gov/hazmat.

Board & Commission Appointments

The City of Eules is currently accepting applications for volunteer positions on various Boards and Commissions to be appointed in October. Time and frequency of meetings vary, depending upon the board or commission on which you serve. The following Boards and Commissions will have openings: Civil Service Commission, HEB Teen Court Advisory Board, Historical Preservation Committee, Library Board, Parks and Leisure Services Board, Planning and Zoning Commission, and the Zoning Board of Adjustment.

Applications and additional information can be found online at www.eulesstx.gov/cso or you may also contact the City Secretary's Office at 817-685-1434. Applications are due by Friday, October 7, 2011.

Public Safety Open Houses

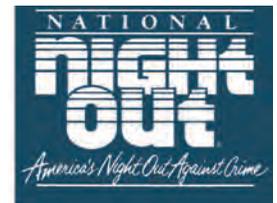

Saturday, October 1, 10 a.m. - 2 p.m.
Police & Courts, 1102 W. Eules Blvd.
Fire Station #3, 202 S. Main St.

The Eules Police and Fire Departments will both host Open Houses. Both events will have activities for children, tours of the facilities, and members of the Citizen Emergency Response Team, Citizen's Fire, Police Academy Alumni and Citizens on Patrol. Plus, visit with clowns from the S.A.F.E.T.Y. Troop, along with Sprinkles, the police department's safety clown. These events are free, and everyone is invited!

National Night Out

Tuesday, October 4

The 28th Annual National Night Out, America's night out against crime, will be observed the evening of Tuesday, October 4. Neighborhoods across Eules are sponsoring block parties, cookouts and visits from police and fire representatives. Over 35 million people in more than 11,000 communities across all fifty states participated last year. So, turn your porch light on, organize a block party, and "fight back" against crime in your community. You can request a visit by representatives of the fire department at 817-685-1600 or a police representative at 817-685-1536. Firefighters, as well as the fire safety clowns, will be out visiting various organized block parties around town.

Protect Your Family From Fire During Fire Prevention Week

October 9-15 is Fire Prevention Week. Protect your family from fire. What's the best way to protect your family from fire? Be ahead of the game, of course. With more than 360,000 home fires reported in the United States in 2009, according to the nonprofit National Fire Protection Association (NFPA), your best defense is a good offense. This year's campaign focuses on preventing the leading causes of home fires -- cooking, heating and electrical equipment, as well as candles and smoking materials. We urge you to protect your home and family with life-saving technology and planning.

The Eules Fire Department S.A.F.E.T.Y. Troop clowns will be presenting their fire safety message to all Eules students in the first through sixth grades during this time. If you have kids in elementary school, talk to them about fire safety to help reinforce the message.

Golf Weather is Here!

October is a great time to enjoy Texas Star. The cool weather is a great complement to the challenging Texas Star Course. You can't beat the outdoor patio at Raven's Grille, quiet mornings, relaxing afternoons, and a great view of the 18th green. Reserve your tee time today.

Make the Holidays Easy on Yourself This Year

The Holidays are just around the corner and will be here before you know it. Plan ahead this year and book your Holiday parties at the Texas Star

Conference Centre. Reserve a room and leave all the work to us. No set up, no clean up, no cooking, no prep! Rooms can be decorated to suit your social function, and we have an experienced party planner onsite to assist with creative ideas and planning requests. With 7,000 square feet of divisible space, Texas Star can accommodate a Texas-sized party of 320 people or can be divided into smaller rooms to provide the perfect setting for intimate dinners. The rooms are enhanced by a wall of glass doors that overlook a winding creek and the 18th green of our award-winning championship golf course. Call 817-685-7888 for more information.

Stars Over Euless - Noble Planetarium

Saturday, October 1, 8 – 9:30 p.m., Bob Eden Park, 901 W. Mid-Cities

Did you know that the Moon is orbiting the Earth at about 2,300 miles per hour? And that it takes the moon about 27 days to travel completely around the Earth. Noble Planetarium Director Linda Krouse will conduct a power point presentation on different elements in the nighttime sky. Members of the Fort Worth Astronomical Society will also bring out powerful telescopes so kids can gaze into outer space and learn about the order and function of stars and planets in the sky. We will have drinks and snacks for all participants and the entire event is absolutely free for everyone!
