Eclipse Viewing 2017

**Monday
August 21, 2017**

Traveling across America from
12:15 pm to 2:00 pm (approx.)

When the sun and moon come together, fun happens! We're watching for the solar eclipse and we want you to join us! This doesn't happen everyday; it hasn't been visible in the US in 40 years! This is sure to be an event!

Eclipse glasses will be provided while supplies last.
