Library Card Sign-Up Month

Stocking up on school supplies can cost a fortune, but luckily, the most important school supply of all won't cost a thing. It's a library card. A library card can give kids access to homework help, materials to research their papers or a source for their next book report. Also, children and adults get the assistance of our librarians. It can also help make life after school more fun. The library card is the key to helping you live better for less, with free access to CDs, DVDs, the Internet, books, any informational needs you have, and more.

It's all free with a library card. Sign up for yours today @ your library.

"The library card is the smartest card in my wallet. Sign up for yours today."

WNBA gold medalist, WNBA MVP and leader of the Year and NCAA college player of the year. <http://www.candaceparker.com>
