

## APPLICATION REQUIREMENTS FOR AMENDING OR CONVEYANCE PLAT

### General Information

**AMENDING PLAT** An Amending Plat legally replaces the Plat or portion of the Plat that it amends, and can be filed to correct an error in real property description on part or all of an officially recorded Plat. Amending Plats can be filed only to correct the errors specifically listed in Section 84-413 of the Unified Development Code. Public hearings are not required. The Amending Plat approval process is the same as the required for Conveyance Plats.

**CONVEYANCE PLAT** A Conveyance Plat may be used to subdivide land for which no immediate development is planned. Information and application requirements for Conveyance Plats are contained in Section 84-411 of the Unified Development Code. Such plats are considered by the Planning and Zoning Commission (P&Z) and filed at the County, but no development may occur on the land until the ordinary Preliminary and Final Platting procedures have been followed.

1. **Staff Review** The Amending Plat or Conveyance Plat will first be reviewed by City staff on the Development Review Committee (DRC) for compliance with City codes, regulations, and policies. The following items must be submitted to the Planning and Development Department by noon on Monday in order to be distributed in staff meeting the next day. Staff comments will be returned to the applicant the following week after the DRC meeting. All plans submitted shall be folded to approximately 8"x9", with the title on top.

- Completed application form and check list.
- Application fee: 

<b>Amending / Corrected Plat:</b>	<b>\$225.00</b>
<b>Conveyance Plat:</b>	<b>\$150.00</b>
- Fifteen (15) 24" X 36" folded and collated copies of the plat document
- One (1) digital copy of plat document in .pdf format
- Closure calculations of the boundaries of the property
- Tax Certificate from Tarrant County.
- Tax Certificate from Grapevine-Colleyville Independent School District if the property is located north of Bear Creek.
- Signatures of Utility Company representatives on Franchise Utility Company Approval forms.

2. **Planning and Zoning Commission Review** Staff comments are forwarded to the applicant for preparation of a revised submittal. The revised submittal is again reviewed by the DRC, and if it conforms to the City codes, regulations, and policies (or includes a request for a variance), it is certified as such and placed on the P&Z agenda. Minor Plats are then forwarded to the Director of Planning and Development and the City Engineer for their signatures. All other Plats are placed on the P&Z agenda. The following items must be submitted to the Planning and Development Department as soon as possible for Minor Plats, and for other plats by noon on Monday 8 days prior to the P&Z meeting:

- Three (3) 24"x36" folded and collated copies of the plat documents
- Two (2) – 24"x36" mylars (3 if the applicant wants one to be returned)
- One (1) – 8 ½"x11" reduction
- One (1) digital file of the plat documents in .pdf format
- One (1) copy of the Owners Certification, Property Description, and Dedication on 8 ½"x11" or 8 ½"x14" paper

Based on the DRC's recommendation, the P&Z makes the final decision of approval, conditional approval, or denial of the Amending Plat or Conveyance Plat. Approved Plats will be filed by City staff at the County, and one (1) copy of the filed Plat will then be returned to the applicant. **The applicant will be invoiced for any fees charged by Tarrant County for the filing and recording of the plat.**
