FIREFIGHTER SPOTLIGHT

Ashley Howard was born in Riverside, California. She attended elementary and middle school at Keene Adventist Elementary School and high school at Chisholm Trail Academy in Keene, Texas. Ashley then began nursing pre-requisites and EMT school in Cleburne, Texas at Hill College. She was in the Fire Academy in Crowley, Texas.

Ashley continued with her education and completed Paramedic school in Dallas, Texas at University of Texas Southwestern. She is currently studying nursing via the online bridge program at Excelsior College in New York. Ashley owns a home in Crowley, Texas and has been living there for the past 1.5 years. Before becoming a Euleless firefighter, Ashley was a city of Keene volunteer firefighter for 2 years and then part-time volunteer for a year.

Ashley's parents are Jerry and Debbie Howard and they have been married 28 years. Her brother, Calvin, graduated in May of this year with a Physics major from Walla Walla University in the state of Washington.

Ashley loves anything outdoors such as four-wheeling, wakeboarding, and snowboarding. She began CrossFit about a year ago. Ashley and her mom go to the same CrossFit gym together and get to spend some quality mother-daughter time! Ashley's favorite color is orange and fruit is her favorite food. She has four dogs: Macy a golden retriever, three Yorkshire Terriers, Moose, Maddox, and Ty.

When Ashley was asked what she enjoyed most about working for the Euleless Fire Department, she said the crews, city employees, and the citizens. "To be the first female firefighter in a city is a very rewarding, but yet demanding, challenge. You are held to a higher point of accountability because the next female will have to walk in your footsteps. The city has embraced me being this initial female and has shown me support and love in everything I have been involved in! The City of Euleless is an amazing place to work and I look forward to each shift I get to spend here! AND, Ashley bakes! She made firefighter cookies with badge numbers for the Open House bake sale. Cookies & Ashley, A BIG hit!

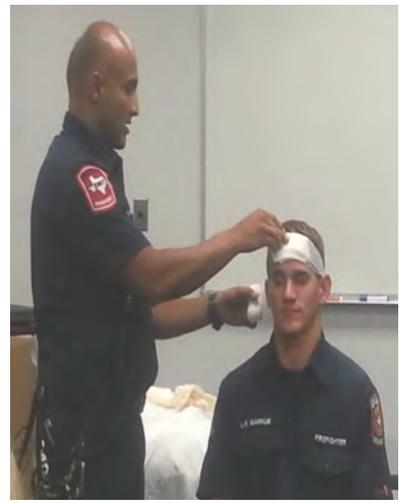

Small fire in the attic. No injuries.
