

Greetings ECPAAA Members,

I hope your August has been a great one. We really have been fortunate that the summer heat did not show up until a few weeks back. It won't be long and the weather will cool off just in time for Dove and Deer hunting seasons. Yes, it's that time of the year when men wear everything and anything as long as it is covered in camouflage!

Several of the Citizens on Patrol wanted to thank Lou Baum for getting us a new Dodge SUV to patrol the city in. You are all invited to attend the ceremony on Friday, August 24, at 10:00 am at the Allen Samuels Dodge Dealership in North Richland Hills. There will be food, drinks and several news stations attending to promote this event. Lou, thank you very much.

The ECPAAA has arranged for Joe Hennig to come and speak with us at August meeting. We wanted to hear what Joe will be doing as he enjoys retirement with his family and friends. Joe you will always be a part of our family here at the Police Department and you are welcome anytime.

I sent you an email on the McKinney Olympics / Training, which is in McKinney on Saturday September 8th. This is a great experience with fine facilities and plenty to eat and drink. I would like to see every CERT member attend this year. Chief Mike Brown and Assistant Chief Bob Freeman said they will pick up the entry fee and Cpl. Joe Hoerth and I will be providing transportation to and from the event. If you have any questions, please call me or Joe Hoerth and we will answer

them for you.

I appreciate all the hard work and time you all have given to the Police Department this past month. We are so much more successful with you, than without you. If you stop in with a copy of this article I'll buy you a free cup of coffee at the Police Department.

Your friend,

Sgt Chaney

Note from the ECPAAA President

Rose-Marie Stevens

There have been several occasions when I have had the opportunity to meet and talk with people who are members of other alumni associations, and I am often reminded of just how fortunate we are. We have the unwavering support of our City Government. This is not as common as one would like to believe.

In Euless, COPS volunteers patrol in automobiles provided by the Police Department and donated by a dealership outside of Euless. If you have not seen our new COPS car, I urge you to take a look. Thanks to the negotiation skills of Lou Baum, who helped us get our first COPS car from Allen Samuels Dodge, we now have a beautiful red SUV from the same dealership -- yes an SUV. One of his main selling points is the support our City gives us. Our COPS volunteers are among the very few who can write citations for junk vehicles and illegal handicapped parking. Without the City's blessing, we would not have been granted this

privilege.

Our Alumni members are among the few who are not only permitted but welcomed to go into the records room to help with the filing, make calls to those with outstanding warrants encouraging them to pay and even help clean up the property room. These services give our officers and police personnel some relief, a fact not all communities recognize. We would not be able to do what we do without the support of our City Government.

Tuesday night we will be privileged to pay tribute to a man who has been an active member of City Government for 15 years. He has been a supporter of the Euless Citizens Police Academy and its Alumni Association from the very beginning, and he will be missed. Of course, I'm referring to Joe Hennig who recently passed the baton of Euless' City Management to our own Gary McKamie.

Joe deserves our thanks and a show of our appreciation for all that he has done. Please come and help us say thank you, good luck and don't stray too far from us.

An Evening with Mr. Joe Hennig, "The Ultimate Public Servant"

When I hear the name, JOE HENNIG, this City's Ultimate Public Servant comes to my mind. For the past fifteen (15) years of public service to this City Joe has been a tremendous ambassador for Euless. Joe has served this City as a Director of Development Services, Assistant City Manager, Deputy City Manager and for the past (8) years as our City Manager. Joe retired from TXU after twenty three (23) years of service before coming to Euless in 1992.

During Mr. Hennig's charge many wonderful things happened and we see them everyday, from the many improved major roads in and around this City, the passing of several significant bond projects, construction of our own Texas Star Athletic Complex, the DFW Car Rental Facility, the revitalization of Euless Main Street, and most importantly is leaving us in a very strong financial position.

Mr. Hennig has always been there for us from the very first day when Gary McKamie, then our Police Chief, Sgt. Mike Brown, Mayor Lib Saleh, and the City Council, talked about a Citizens Police Class and then subsequently the most successful Citizens Police Academy Alumni Association in the State was started. I can remember back in 1994/5 when Geri, Byron, Sarah, myself and a few others dreamed about what we have today. Boy, am I proud of the results and to have as many wonderful Citizens come forward and give and give and give of their time to make, not only serve this Police Department with thousands of hours of volunteer hours each year, but to make this City one in which every City is envious of, the finest most caring folks of all.

During my tenure with the City each and every morning when Mr. Hennig came to the office he stopped by every office to say "good morning" to each of us and asked if there was anything he could do for us to make our day successful and to check on our families. His first thought was always with our families and our well being. This is the real "Joe Hennig". We will all miss Joe Hennig around this City, but he has served us well and our thoughts and prayers go his way as he and Jan spend more time together and with their grand kids. May God Bless you and your family Mr. Hennig and come back to see us at any opportunity. The welcome mat will always be open for you and Jan in this organization.

Kindest Personal Regards,

Lou Baum

Strengthening Euleless CERT***Light Search and Rescue*** by Denise Feeley

As we prepare for the September CERT Olympics in McKinney we'll continue our review of Unit Five: Light Search and Rescue. Please re-read pages 5-25 to 5-30 in your CERT manual then answer True or False to these questions about victim removal techniques.

CERTs should not use a lift technique to remove a victim with a suspected spinal injury. True or False

A physically fit 160 lb. woman could use the "one-person carry" to lift and carry a 40 lb. child. True or False

A single rescuer may safely remove a victim by carefully dragging the victim by his or her feet. True or False

In a "two-person carry", one rescuer grasps the victim's mid-section and the other rescuer grasps the victim's knees. True or False

A "chair carry" requires four strong men to safely remove a victim. True or False

A "blanket carry" can be performed with a large, strong, nylon tarp if a blanket is not available. True or False

A "blanket carry" can safely be performed by only three rescuers. True or False

It is okay to make up your own creative methods to rescue victims. True or False

Officer Brandon Zachary

Officer Zachary was born in Texas, graduated from high school in Colorado and currently lives in Denton. He grew up in a rather large family - an older step sister, four sisters and two brothers all younger. He is married to Susan and they have two children - Ella age 2 1/2 and Ethan age 2 months. We can't leave out "Doc" Holiday the family dog. Susan works in the Church Administration, takes care of children.

He has a BA degree and has been with the Euleless PD for 10 1/2 years. Previously he worked in the Denton County jail. Positions he has held in Euleless have been HIDTA, Bikes, Tac Team, FTO, CID. He has been rookie of the year, Unit Citation, Life Saving Award.

On his time off he enjoys his Family, sports, diving, traveling and his favorite spot is "any beach".

One of the best things he likes about his job is helping children or making a narcotics arrest. One of the least is not always catching the bad guy.

One of his aspirations is to move up in rank and help those with less experience.

Favorite, happy ending, war stories - Broke his finger and had to have surgery in 1999, during a scuffle involving a narcotics arrest.

Favorite quote or saying, "What is right is not always popular and what is popular is not always right".

His favorite books are Maxwell books.
