### Cindy's Corner

Did you read what Gary said yet? Don't read my news until you read what Gary wrote! I am so excited about what I just read I can barely contain myself! He is having another COPS class in JUNE! He did not even tell me. He let me find out by reading his article. Anyway, this is great for those of you who have wanted into the program, here is your chance! Don't miss this opportunity because Gary only holds these classes once or twice a year.

hours per COP per month. I think we can improve this average. At the meeting on Tuesday—there will be a COP sign up sheet available for patrol—The patrol cars are available for patrol 24 hours a day—7 days a week— please do not leave without a scheduled patrol date.

For those of you who need a refresher course, don't miss the class either. This means most of us. I know I am going. I know that even though I am out there all the time, there is stuff I am doing wrong. (Shhhhhh, don't tell Gary!) Anyway, this is great. This is a chance for us to really get the cars on the road during the summer.

Thank you Lou for following up on getting the Ford repaired last month. We were having problems with the car shutting off in the middle of the road while we were driving. Thank you Warren Hinkley for being so persistent in your weekly patrolling. I know you would like to patrol more if you could just find more patrol partners during the day. I am still working on that for you. And Thank you Jim Adair and John Erickson for taking on the task of doing maintenance checks on the cars, training other COP members along with just being such faithful COPs. I notice and appreciate all the work you both do for the Police Department.

Sincerely,  
Cindy

Right now we have 57 active COP members and we have been keeping the cars on the roads over 100 hours each month. So, if you average that out it is roughly around 2

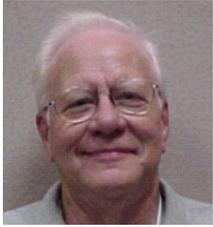

PS— Don't forget so sign up for the class  
PSS—Don't forget to sign up for patrol, you don't have to

### Lou's Views

MUDSVILLE AT BEAR CREEK-----  
 What a sight to see and most of you missed a "cool event". On Sunday morning it took two B&B Wreckers to pull our COP Car out of the 5 inches of mud.

The first wrecker got stuck and Gary's brother was called into service with his big rig to pull his buddy and the COP car to the street. It took \$5 of quarters at a car wash to clean it up and no one had cameras. I guess that was the most entertaining event of the short Arbor Daze Event. To all of you who came out and got soaked and muddy, my thanks for the valiant attempt to make this a successful one. Leah will publish the hours and names for all to see who worked the event.

The Executive Board met on Monday, May 10, 2004 to discuss the downsizing of the expenses on the current 2004 budget. On our regular meeting night, during the business segment, I will pass out our current budget and ask for your input on how you want to manage the balance of the 2004 budget. I will have all of the information needed for you to make your decision as a member of this organization. We are going to be just fine, but there are a few areas we need to address and this is your organization and I want all of us to be involved.

For our next meeting on May 18<sup>th</sup>, we will have a HOT DOG Dinner with all the trimmings as our Arbor Daze thank you. May 27<sup>th</sup> 7:00PM at the Library will be a Pot Luck for class 19's Graduation. Hopefully by the 18<sup>th</sup> I will have a "surprise" to announce for our next fundraiser event that will pick up the slack for Arbor Daze, now and in the future. It's been in my back pocket for a while, now is the time.

Cindy is going to print more directories and will have them ready for the June Meeting. We only gave out around 45 or so the first time. She needs a couple of volunteers to come up and help assemble them, so let her know if you are available.

My thanks to Leah for her leadership in the flower fundraiser. Your efforts put \$560 into the kitty. Folks, this can be a real sleeper if we get behind this one. A lot of schools raise between four and five thousand dollars every time the kids are turned loose in their neighborhoods. Our next one will be late summer for the fall period. Our fall bulbs look beautiful.

J.R. will announce more details for his next Bass Pro Event. But put down July 31<sup>st</sup> for the next big event at

Bass Pro. My thanks too go to J.R. for his many hours of scheduling for Arbor Daze.

As most of you know by now, we lost a good friend this past month. Lloyd Baldwin was called up for a more important assignment. He was a dear, dear friend to yours truly and many, many folks in the Mid Cities. I will miss him so much. A "special" brick will be ordered in his honor from all of his friends at the Alumni Association. We will discuss in the coming weeks something special from the Alumni Association in his honor.

Congratulations to Warren Hinkley for being chosen the Alumni Member of the Quarter. He was given a \$25 gift certificate to Raven's Grill at Texas Star and a CPA Monogrammed Bag. Thanks Warren for the many hours given to the Police Department and Patrolling our City Streets.

Thanks too go out to Don Martin and the Citizens Fire Academy Alumni Association for lending their RV for our use during the short event. Troy Mennis has spent over 100 hours restoring their RV for use around the City.

We had several new Alumni Members from Class 19 come out for the first time at Arbor Daze. They really saw what it takes to put on this type of event. I hope they had a little bit of fun and got to visit with some of the regular members. They got to see J.R. work his magic on the citizens who attended.

For members who are under the weather, we miss you, come home to your friends soon. Take care of each other and we are here for each other 24/7. I am still getting great comments on my new Texas Star shirts you all surprised me with. See you all real soon.

Sincerely,  
 Lou
