## Eules Citizens Police Academy Alumni Association

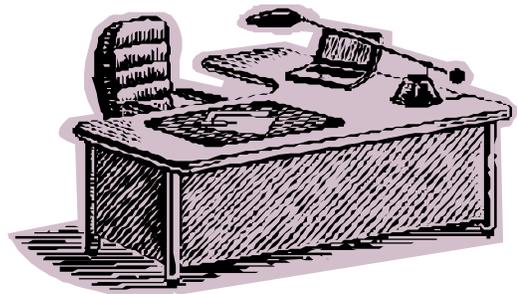

A Special Thank You to John Woodall and Sonny Sizemore for deploying our speed trailer on a weekly basis. This is a tremendous undertaking and helps the Police Department immensely.

Thanks to everyone who helped make the Class 22 Graduation a success.

All your assistance is greatly appreciated by the Police Department. If there is ever anything you need please free to contact me.

Sgt. Gary Landers

Thank you for all the support you give the Police Department.

A Special Thanks to all those who volunteered for the Warrant Roundup. In the two week period the Courts cleared over a thousand warrants with an estimated collection of \$315,000.00.

This was an outstanding effort that would not have been possible without your support.

In the future the City hopes to conduct another Warrant Roundup and once again your assistance may be requested.

ENCLOSED PLEASE FIND A COPY OF THE PROPOSED BY-LAW CHANGES - Please review - proposed changes are italicized. Discussion will be held at the May meeting.

### Notes from the President

#### POLICE APPRECIATION WEEK

The United States Congress dedicated the third week of May as National Police Memorial Week to honor all officers who have made the ultimate sacrifice while in the line of duty. To that end, we use the same time period to show our appreciation for the officers who serve our beloved Community of Eules.

The main reason I became involved with the Eules Citizens Police Academy Alumni Association was to eliminate my prejudice against the police. Prior to my involvement, I had not witnessed or acknowledged the good police officers do, and I needed to get past that prejudice based on ignorance.

We all know they are responsible for protecting us. They are also responsible for assuring that we obey the law; unfortunately, a traffic ticket is often the result of that effort. However, they are also interested in serving the public.

Friday, May 5, I had the privilege of observing officers from different communities help parents and caregivers learn how to use car seats properly. The care they showed for the children, the gentle way they handled the little ones as they

weighed and measured them, the time they took to explain everything to the adults was heart-warming. Yes, we worked too, but the officers were the driving force.

It is my humble opinion that we, in Eules, have a Police Force to be extremely proud of, to respect and to appreciate. They have taught me so much, and I plan to keep on learning. One thing I have happily learned is that it's all right to hug a police officer, so be my guest.

The Hospitality Committee has been working hard to show our appreciation for our officers, and they should be commended for their efforts. Let us all show our appreciation to our officers whenever we have the opportunity.

Thank you!

#### UNFINISHED BUSINESS:

The audit of the Treasurer's book is not completed. This is the first time this auditor has reviewed our books and this requires reviewing past years 2003 and 2004. The auditor will make recommendations on how to categorize items for expenses, etc..

J. R. advised that this Saturday is CRUD Day. He has 18 people signed up and in case of rain the event will still be held and he will purchase poncho's to use in case of rain. Those working please report at 8:00AM.

A letter from Jerry Poteet was read; he thanked us for participating in Trash Off.

Gary gave everyone his cell number and advised if we ever have a situation where someone is injured while participating in a ECPAAA event we need to advise him. He was not present at Trash Off when Warren became ill and was taken to the hospital, and several days passed before he learned of Warren's illness.

It was also reported that Julie Ratcliff recently had gall bladder surgery. Julie is in Class 22 who will graduate this Friday but has helped us at Arbor Days and in many other ways in the past.

#### COMMITTEE REPORTS:

Membership: 3 graduates of Class 22 have

joined.

Hospitality: A list for refreshments will be circulated as there will not be a need for help in December as that is when food is provided as we wrap presents the ECPAAA buys for family for Christmas. Next month is Police Appreciation month, and the Hospitality Committee will work on that.

#### Additional Items

Al Simmenroth is working on a project involving warrants issued by the City. He needs volunteers for this week and next week to make calls to people with warrants. We will call from lists provided and advise people to take care of their warrants to avoid being arrested during Warrant Roundup.

May 5th from 9:00 a.m. - 2:00 p.m., Cpl. James Gordon needs help with the Child Safety Seat Program. It will be held in the Target Parking Lot.

Merchandise: Faye advised she has no outstanding orders. If you need a shirt or any other item please let her know.

Karen read a letter from VHA regarding their \$520.00 contribution made on behalf of Leah Benoit for her volunteer hours.

Karen read a letter from Quik Trip advising they were unable to participate in the Brick Fundraiser at this time.

We received checks from Tom Thumb for \$17.94 and Kroger for \$23.03 for reward card usage. No report from Albertson's.

CPAANT - Wes Weeks reported that the last meeting was held in Fort Worth, and they were given information regarding concealed handguns. Next month's meeting will be held in Cedar Hill. Wes reminded everyone that on April 29 there will be a CPAANT Social, and we are invited. Louise Runnels of Fort Worth will be the hostess, and all who attend are asked to bring a covered dish - 6:30PM. Do not forget we will be hosting the June Meeting—program background checks will be the topic. Wes requested help with refreshments and door prizes. Wes will get estimate and advise at next meeting. He will also need help the day of the meeting starting at 8:30 a.m. to set up the room and check people in. It was reported that last September we spent \$200 to \$250 but it was roundtable and all Police Chiefs were invited.

COP: Don Martin reported nine people recently graduated from COP training. The goal is to have both cars out on Friday and Saturday.

Gary Landers'

Sgt. Gary Landers advised that we will get a SUV for COP car. We are in line behind newly ordered Police Cars to get detailed and street ready.

Gary also noted that the ECPAAA had approved the expenditure of \$2000 for red handle guns. We had received and paid a bill for \$1200; now the rest of the order has arrived, and we will get additional bill for the final \$800.00.

This Friday ECPAAA Class 22 will graduate at 7:00 p.m. at the Ruth Millican Center. Gary asked every to join the festivities and bring a side dish to compliment hamburgers and hot dogs.

Gary has talked with those involved with Casino night, and it seems their plan is written according to the law. He will attend the next group meeting to be sure all is okay.

Next CPA Class will begin in August. We are hoping for a regional grant to have another CERT Class. A refresher class and disaster drill is planned for some time in the middle of the summer. There may be a full blown call out. City Managers have attended many disaster planning meetings.

There was some discussion on how the new Chief will be selected.

Motion to adjourn made by Judy Rick. Second by Faye Stinneford. Meeting adjourned 8:00PM
