## ECPAAA Mission Statement

"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

Well the Holiday Season is knocking at the door and everyone will be busy with family and friends. Remember that during this time of the season crime increases. So you need to be diligent in securing your residences and vehicles. Also be aware of your surroundings as you travel through the metroplex shopping for that perfect gift for your loved ones. We want everyone to have a safe and happy Holiday Season!!!!!!

A huge Thank you to the COP's for setting new records in the hours they patrol. You not only go out and patrol our streets but you have helped tremendously with the vehicle maintenance. You have saved our officers numerous hours of transporting vehicles here and there, thanks for your dedication and support to the Police Department. Also the plants are still looking beautiful thanks for continuing to help with this project. I know it is time consuming but I think the ladies are enjoying when it is their turn to water the plants.

The Christmas Parade of Lights is right around the corner and we will need your help with this event. If you are interested in volunteering to help let me know, every year we have a great time with this event.

I am looking forward to this months meeting it will be special for everyone who attends. So mark your calendar so that you will not forget. SEE YOU THERE!!!!!!!!!!!!!!

Sincerely,

Gary

## Lou's Grin For the Month

There was a Kentucky redneck and a buckeye, fishing on their respective sides of the Ohio River. Just as soon as the redneck put his line in the water, he slung a fish onto the bank, and the buckeye was catching nothing on his side, so he yelled across to the redneck, "Buddy, I'd sure like to be on your side of the river!"

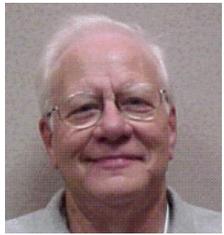

Allright, tell ya what, I'll shine mah flashlight cross this river, and you can walk across this little beam of light! the redneck yelled back. The buckeye replied, "Haint no way buddy. I know, you think I'm a damn fool! When I get halfway cross, you'll turn your flashlight off!!"

By now those who receive their newsletter by mail should have received the October issue. My apologies for the delay. I will attribute it to having a Blond Day.

## Lou's Views

Lou's Last Views---  
Happy Holidays to All

Four years ago, as my memory recalls, I started my last article with a paraphrase from

a famous man that made these words a household phrase, "THANKS FOR THE MEMORIES." Boy, what a ride this has been. These past eight (8) years as your Vice President, and then as your President, have been a thrill a minute. As I reflect back to June 1995, we have had our share of tragedies, loss of loved ones, surgery to some, prolonged illness to a few, and of course, many hours of happiness. Those are the times I want to remember the most. I want to remember the many hours that we have shared together at our first garage sale, remember Sarah, several bake sales, fun filled hours at Bass Pro, and of course those marathon hours at Arbor Daze.

I also remember very well our First Alumni Meeting in 1995, with then Sgt. Mike Brown, Cpl. Gary Kopecky, Fain Childres, Byron Benoit, Sarah Chandler, Kathy Haecker, Barbara Lucas, Janice Griffin and Geri Sorg, to name a few of us old timers who came together and said, "let's set a solid foundation of volunteering," for this organization to follow. Today, and looking back, what a tremendous job they have done to get us to this point in history, because we have just graduated our 19th Academy Class.

You have all honored me with the responsibility of leading you these past several years, and now it's time for a new and exciting Executive Board to continue to strive for excellence in volunteering and service to our Police Department, and to continue to set the goals high, setting new challenges and opportunities for all to follow.

Our First Class wanted this Alumni

Association to be more than just "another organization," but one that would bring camaraderie, time, talents, enthusiasm, and caring for one another and nurture the daily needs of the Police Officers and their families.

Remember too, our three C's that we have established for this Organization - COMMITMENT, CARING, and COMMUNICATION. Without those you will not succeed. CHANGES you make TOGETHER, and CHOICES you make together.

As Chief Mike Brown said when he retired from the Department, "continue your great work, don't let a critic slow you down or get in your way. It is always easy to take a shot at the leader; they are the ones up front showing the way".

Those of you that are closest to the leader determine his/her level of success or failure. Mentoring potential leaders insures the leader and the Organization of reaching their potential.

In my opinion, here are two important things we can do to prevent ECPAAA from becoming "just another Organization".

First, let's not take what we have worked so hard for, for granted. What brought us to where we are today and who we are. Focus on serving the Police Department and their needs and build this Alumni Association with strong, dedicated Citizens. Our ACTIONS must be more than talk; it MUST be practiced and shown in our WALK.

Secondly, your leaders must touch all Alumni Members, as well as their families. Remember this well, PEOPLE need many things in LIFE - but nothing more than HOPE. HOPE can eliminate FEAR and we can live by our FAITH. FAITH is not something we sell - it is some-

thing we GIVE.

My time as your leader has come to an end, but my LOVE and SUPPORT will always continue. You all are an unbelievable group of "SPECIAL" individuals who have come together for one common cause - to assist our Police Department the best that you can and to give them the support they deserve from the finest Citizens in this City.

I know you will give the new Executive Board the support you have given me. Continue to seek out worthy Citizens for this elite Organization. Don't wait for someone else to act. To really make a difference we must look "INSIDE" ourselves to insure our bright future. If you wait for someone else to act, your future will be in doubt.

This Organization has the total support from the Chief, his Command Staff, and the first line of Supervisors, and our heroes that serve us on the street 24/7. We have earned this respect and support through our commitment and total involvement since 1995.

Again, it has been an honor and privilege to serve this Organization. To the new leaders, keep a steady course and may God Bless each and every one of you. May the sun never set and the wind always is at your back.

Kindest Personal Regards,  
Lou

parison to last year are up by 32% in Sep-

a handicap sign and the space is not painted

with the handicap marking.

Our birthday list was missing a most impor-

tant member – Al Simmenroth. Happy

Birthday! Hopefully we will get all our lists

combined and correct now that we have our

new computer.

Lou welcomed our special guest Mike

Brown who was an instrumental part of our

ECPAAA Organization before he retired

from the City. Mike (who is a Eules resi-

dent) wanted to thank us for all we do. He

quoted some words from Plato and Robert

Peel regarding the concept that people are

police and police are people. Anyone who

does not get the concept does not under-

stand. Time is more important than money.

He again thanked us for our time spent

working for the good of the community.

Sadly Mike spoke of his wife Anica's recent

illness and how much he appreciated all the

support many of us had given the family.

He wanted to thank everyone personally for his or her thoughts and prayers. He closed with "Hats Off to the Greatest bunch of people and if there is ever anything we need we can count on him".

David Mishkin advised he was seventy-six years young and he had never had anyone say such words as the ones Lou had put in the newsletter.
