EXPANDED EXPLANATORY LETTER

CASE# 09-09-SUP

COMMUNITY MORTUARY SERVICES WILL HAVE STAFF ON DUTY FROM 7 AM TIL 7 PM DEPENDING ON THE NUMBER OF CASES WE HAVE IN THAT DAY. THE STAFF WILL BE ON CALL DURING THE OVER NIGHT HOURS. WE WILL STAFF THE FACILITY 24/7 WHEN IT BECOMES COST EFFICIENT DUE TO THE NUMBER OF CASES WE HAVE EACH DAY.

WHEN THE STAFF RETURNS TO THE FACILITY WITH THE DECEASED THEY WILL BACK THE MORTUARY VAN INSIDE THE BUILDING WHERE THE BODY WILL BE REMOVED FROM THE VAN AND PLACED IN OUR COOLER UNTIL CREMATED OR MOVED TO THE PREP ROOM FOR EMBALMING. THE MORTUARY WILL ALSO CONTRACT WITH OUT OF TOWN OR OUT OF STATE FUNERAL HOMES TO SHIP THE DECEASED TO THEM. INSTATE SHIPPING WILL BE MADE IN ONE OF OUR MORTUARY VANS, OUT OF STATE OR INTERNATIONAL SHIPPING IS DONE VIA ONE OF THE AIRLINES. THE DECEASED IS FIRST EMBALMED AND THEN PLACED IN A SHIPPING CONTAINER TO BE DELIVERED TO THE AIRPORT.

THE MORTUARY WILL ALSO HAVE ID VIEWING AND WITNESS CREMATIONS AT OUR FACILITY. ID VIEWING IS WHEN A FAMILY MEMBER OR FRIEND COMES TO IDENTIFY THE BODY BEFORE THE CREMATION TAKES PLACE. THE IMMEDIATE FAMILY MEMBERS OCCASIONALLY WANT TO WITNESS THE CREMATION, THERE IS ENOUGH PARKING FOR MOST FAMILIES, IF NOT THE FUNERAL HOMES WILL MAKE OTHER ARRANGEMENTS TO GET THE FAMILIES TO THE FACILITY.

THE MORTUARY WILL BE INSTALLING CREMATORIES WHICH UTILIZE A TWO CAMBER DESIGN. THE COMBUSTION CHAMBER WHERE THE DECEASED IS PLACED AND THE AFTER BURNER CHAMBER WHICH BURNS THE EXHAUST GASES AGAIN SO THERE IS NO SMOKE OR FUMES EXITING THE STACKS, TEXAS DOES NOT REQUIRE FILTERS ON THE STACKS. THE TEXAS FUNERAL SERVICE COMMISSION WILL INSPECT AND LICENSE THE FACILITY AND THE (TCEQ) TEXAS COMMISSION ON ENVIRONMENTAL QUALITY WILL REGULATE THE EMISSIONS FROM THE CREMATORIES.

IF THERE ARE ANY MORE QUESTIONS PLEASE LET ME KNOW.
THANK YOU
