SUBJECT: Authorizing Well Repairs at the Fuller Well Site

SUBMITTED BY: Chris Barker, Assistant City Manager

REFERENCE NO:

ACTION REQUESTED:

Consider authorizing well repairs to the city owned and operated water well located at 118 W. Fuller Drive (Fuller Well Site) by Millican Well Service, LLC. for an estimated amount of \$120,000, finding that the procurement is necessary due to unforeseen damage to public equipment and finding that the repair is necessary to preserve the public health and protect the safety of the City's residents.

ALTERNATIVES:

- Deny the request

SUMMARY OF SUBJECT:

As previously reported to you, the city owned and operated water well located at 118 W. Fuller Drive (Fuller Well Site) has been rendered inoperable. Millican Well Service has extracted the existing pump and motor and performed a well survey. The failure of the well was determined to have been caused by infiltration of naturally occurring debris. Millican Well Service has provided an estimate for the installation of a new pump, rebuilt motor, chemical treatment and all other appurtenances and labor necessary to bring the well back into operation.

The Trinity River Authority (TRA) is the primary source of potable water for the City of Euless. Potable water produced from City wells supplements the TRA supply and is essential should the TRA supply be interrupted. Staff request the that City Council find that this purchase should be exempted from competitive bidding in accordance with Texas Local Government Code Section 252.022 as the procurement is necessary as a result of unforeseen damage to public equipment and that the procurement is necessary to preserve the public health and protect the safety of the City's residents.
