- Deny the request

SUMMARY OF SUBJECT:

As previously reported to you, the city owned and operated water well located at 2591 N. Main Street has sustained unforeseen damage and been rendered inoperable. Millican Well Service has extracted the existing pump and motor from the well site and determined that the damage to the well has been caused by failure of the flange bolt(s). Millican Well Service provided an estimate for the installation of a new pump and seal on the existing motor and all other appurtenances and labor necessary to bring the well back into operation. The estimated expenditure is \$54,128.23

The Trinity River Authority (TRA) is the primary source of potable water for the City of Euless. Potable water produced from City wells supplements the TRA supply and is essential should the TRA supply be interrupted. Staff request that the City Council find that this purchase is the result of unforeseen damage to public equipment and that the procurement is necessary to preserve the public health and protect the safety of the City's residents.
