NOTES:

- The City of Euless will not be responsible for or be maintaining any non-drainage related improvements within the drainage easement, including but not limited to paving and fences.
- The City of Euless reserves the right to require minimum finish floor elevations on any lot contained within this addition. The minimum elevations are based on the most current information available at the time the plat was filed and may be subject to change. Addition lots, other than those shown, may also be subject to minimum finish floor criteria.
- Basis of bearing, horizontal and vertical position derived from the Texas WGS RTK Network-Texas State Plane Coordinate System, NAD83, North Central Zone (4202).
- Coordinates shown hereon are surface values, with a scale factor of 0.999854198761; no rotation.
- Selling a portion of this addition by metes and bounds is a violation of City ordinance and state law and is subject to fines and withholding of utilities and building permits.
- Within emergency access easements (fire lanes) the roadway surface subgrade, markings and signage shall be maintained at all times to allow for the clear passage of emergency vehicles. Clear passage shall include both horizontal and vertical widths according to clearances established in the Fire Marshal's policy statement.
- The subject property is located in Zone "X" (areas determined to be outside the 500 year flood plain), according to the Flood Insurance Rate Map No. 48439C0115K, revised September 25, 2009.
- The City will not maintain any interior drainage systems that originate within this private development.
