THE CITY OF
EULESS

Greetings from the Mayor

Welcome

Dear Citizens,

We are finally enjoying some cool weather and smells of autumn. We have been so fortunate this year with a wet spring and not too hot summer. Now if we can just get through the winter without an ice storm, it will be great. We do have lots of acorns everywhere and that generally means a cold, cold winter.

Hopefully you all read the Budget issue we mailed out in early October. This is truly the best year financially in Euless history. Our sales and property taxes were up and the council lowered the tax rate two cents.

We have many good improvements to look forward to this year. We plan to enlarge the library and add a historical room. Many citizens have given items of Euless history to our Historical Preservation Board and that group has really worked long hours to put together many interesting items of history. We also plan to enlarge the Texas Star Conference Centre and probably start the renovations early next year. The Conference Centre has been a real plus for Euless and after ten years we see the need for more room.

We will be looking for additional space for our senior citizens center. We have outgrown the Simmons Center as our active seniors are participating more and more in our activities. They are a wonderful group of citizens that are truly enjoying life with friends.

We have several new housing developments under construction and so far have not seen a downturn in the housing market. As you know, the Lowe's development on Glade and Hwy 121 is rapidly building out with more shops and restaurants. Across the highway, south of the Target store, the land has been cleared and the owners hope to start construction very soon. It will be the largest mixed-use development in Euless with many fine shops, restaurants, and later homes. It will have landscaping throughout the center.

We have so many activities coming up and we encourage you to read through this issue and participate in some of the various events. We also encourage you to get a library card and enjoy all the events there for all ages.

Boards and Commission members have been selected for the upcoming year. We are so proud of our citizens that continue to devote their time, talents and energy to volunteer for our city. There are so many ways to volunteer and Jerry Poteet in our Parks and Leisure Services department can show you all the opportunities where you can volunteer. And if you have not gone through our Police and Fire academies, you've missed a treat. Our Fire and Police alumni groups do so much for our Police and Fire Departments from watering plants in the Police Building to riding out with Citizens on Patrol (COPS) in the beautiful new car furnished by Allen Samuels Dodge. The Fire alumni are always there to assist our firemen whenever and wherever. Many, many thanks.

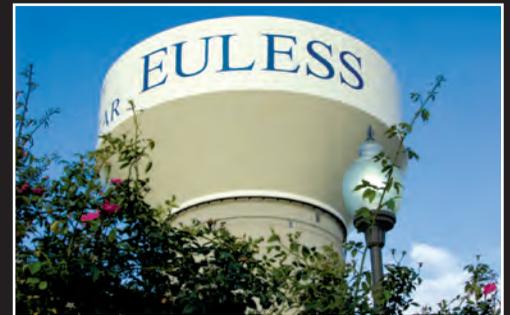

Thanks to all of you for caring for our city in many ways. **TOGETHER WE ARE PREPARING A BRIGHT FUTURE FOR ALL CITIZENS.**

Volunteer Awards Presented for 2007

Eules is very fortunate to have a dedicated, attentive group of citizens in our community. Volunteers assist the City in a variety of ways, often working long hours without pay or recognition for the benefit of Eules. In turn, the City picks one person each year that embodies the very definition of a Volunteer to celebrate the dedication and service of these outstanding people and the difference they have made in the community.

The Volunteer of the Year Award for 2007 has been awarded to **Barney Snitz**. Fitting the true definition of a volunteer, he spends his time helping out a variety of organizations and making Eules a better place to live. He has assisted with nearly every special event the city hosts from the Texas Trash Off to Arbor Daze to the Bicycle Rodeo to the Halloween Festival. In addition, he sits on the Library Board, Crime Control and Prevention Board and is a member of the Citizens Police and Fire Academy Alumni Associations, He is a graduate of the Community Emergency Readiness Team and serves on the Eules Local Law Enforcement Advisor Board, Citizens on Patrol and the Fire REHAB Unit. In his spare time he is a volunteer teacher in the Tarrant County College Senior Education Program for over ten years; he is a DFW Airport Ambassador for more than five years and recently completed the DFW Airport Civilian Police Academy. He's also completed the Boston Marathon and spends time training for other athletic endeavors. We thank him for his continued dedication, enthusiasm and humility.

Barney Snitz is the 2007 Volunteer of the Year.

The Business of the Year is **Stitch 'N Tyme**. Owner Julie Watkins began the company out of her home and then expanded to its current location on south Main. Stitch 'N Tyme provides custom embroidery services for both individuals and area businesses. Watkins believes in giving back to the community

The Business of the Year is **Stitch 'N Tyme**. Owner Julie Watkins began the company out of her home and then expanded to its current location on south Main. Stitch 'N Tyme provides custom embroidery services for both individuals and area businesses. Watkins believes in giving back to the community

and is an active volunteer, serving in both the Citizens Police and Fire Academy Alumni Associations. She's lived in Euless over thirty years and enjoys the citizens of Euless most.

The Youth of the Year was presented to **Brittini**

Montalvo. Her first volunteering experience was the 2005 Bicycle Rodeo. She did a fabulous job that day and continued to quickly rise to the top of what Volunteer Coordinator Jerry Poteet calls his "top echelon volunteers." She volunteered her time for the Parks and Community Services department during her junior and senior years of high school. Poteet commented, "Brittini is a special volunteer. We are very lucky to have a volunteer like her. She is second to none."

Brittini Montalvo is the 2007 Youth of the Year.

The Lifetime Achievement Award is given to a person or persons in Euless that have given of their time and efforts to the City of Euless throughout their lives. This year, the Lifetime Achievement Award has been presented to **Robert and Iva Nail.** The Nails are longtime residents of Euless. Robert was the first and longest serving Postmaster for Euless, dedicating 31 years to the postal service. The Euless Post Office opened in 1949 inside of the Fuller Brothers and Nail Grocery and Mercantile on the southeast corner of State Highway 183 (now SH 10) and Main Street. At the time a postage stamp was .03¢ and a post card was .01¢. He was also one of the original members of the Euless Volunteer

Iva and Robert Nail are the recipients of the 2007 Lifetime Achievement Award.

Fire Department for Euless. He was awarded a certificate for meritorious service in 1958 and became Captain in 1959. Iva Fuller Nail also worked in the post office and grew up in the original Fuller House now located in historic Heritage Park. Robert and Iva were married in front of the parlor fireplace in 1952. On their 50th wedding anniversary, the Nails renewed their vows in front of that same fireplace in the newly renovated house. Both are active on the Euless Historical Preservation Committee and the First United Methodist Church. They have been married 55 years.

Our congratulations go out to all of this year's winners. Thank you for your time and energy that you spend to help make Euless great!

Change a Light, Change the World

Lights replaced with energy-efficient ones can add up in energy, monetary and environmental savings. ENERGY STAR-qualified light bulbs and fixtures use 75% less energy than standard incandescent bulbs and can last up to ten times longer. Just one ENERGY STAR qualified light bulb can save about \$30 or more in energy costs over its lifetime, while preventing more than 400 pounds of greenhouse gas emissions. Together, we can help light the way to greater energy efficiency and a brighter future.

Amateur Radio Eules

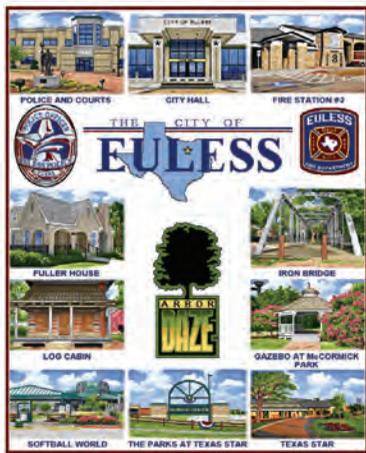

Looking for a new hobby that can be applied to either personal enjoyment or public service? Curious about amateur radio or already licensed to operate? Come and join us at Amateur Radio Eules (ARE).

Amateur radio, also known as "ham radio" operators use their hobby for personal enjoyment in communicating with people across town or around the world. Other operators use their hobby to assist Emergency Management programs for communication situations such as severe storm reporting. Operators around the country have provided emergency communications in disaster situations. Amateur Radio Eules has participated in numerous local events such as Arbor Daze where members have assisted in locating lost children or filling other communication needs.

A license to operate amateur radio is easy to obtain. It can be obtained through classes sponsored by various radio clubs or it can be obtained through self-study. It does NOT require Morse code. The Amateur Radio Eules club can assist you in studying for your license and has members who can administer the examination when you are ready.

Amateur Radio Eules meets on the second Wednesday of each month at 7 p.m. in the Emergency Operations Center at the Eules Police Department. Whether you are already a licensed operator looking for a local club or someone just interested in becoming involved in the hobby, please join us. To attend a club meeting or for additional information, you can contact Joe Kraft with the Eules Office of Emergency Management at jkraft@ci.eules.tx.us or 817-685-3144.

Deep-Fry Turkeys Safely

If you absolutely, positively have to deep fry your Holiday turkey, then please follow these guidelines:

- Turkey fryers should always be used outdoors a safe distance from buildings and any other material that can burn.
- Never use turkey fryers on wooden decks or in garages.
- Make sure the fryers are used on a flat surface to reduce accidental tipping.
- Never leave the fryer unattended. Most units do not have thermostat controls. If not monitored carefully, oil will continue to heat until it catches fire.
- Never let children or pets near the fryer when in use or even after use. The oil can remain dangerously hot hours after use.
- To avoid oil spillover, do not overfill the fryer.
- Use well-insulated potholders or oven mitts when touching pot or lid handles. Wear safety goggles to protect your eyes from oil splatter.
- Make sure the turkey is completely thawed and be careful with marinades. Oil and water don't mix, and water causes oil to spill over, causing a fire or even an explosion hazard.
- The National Turkey Federation recommends refrigerator thawing by allowing 24 hours for every five pounds of bird thawed in the refrigerator.
- Keep an all-purpose fire extinguisher nearby. Never use water to extinguish a grease fire.
- Use your best judgment when attempting to fight a fire. If the fire is manageable, use an all-purpose fire extinguisher. If the fire increases, immediately call 9-1-1 for help. If you have questions, please call (817) 685-1600.

From your friends at the Euless Fire Department, the National Turkey Federation and the Underwriter's Laboratories.

Preserving Historical Treasures

What historical treasure do you have lying around? In the summer of 2006 a cookbook from 1886 that once belonged to Faun Boyd, daughter of Dr. Ambrose H. Boyd, influential late 19th century Euless citizen who was a physician, druggist, farmer, and prosperous businessman, was found in a Euless citizen's garage. The cookbook was featured on Good Morning Texas on Sept. 17, 2007.

The Historical Preservation Committee is putting together a "Historical Photo Album" of all things Euless, that will include people, schools, churches, cemeteries, streets and properties. Do you have old photos you would like included in the city's history books? Your photos will be scanned and returned to you within seven business days.

Maintenance and preservation of the historical treasures of our City is our main focus. Civic groups, families, churches or individuals with some free time can help the committee docent on the second Saturday of each month from 1 - 5 p.m., transcribe oral history records, or serve on the Historical Preservation Committee. One of the hidden historical locations in Euless (or "Tarrant" as the area was once known) is Calloway Cemetery. Complete with a Texas State Historical Marker, the earliest marked grave on site is 1874, the grave of Richard H. Calloway, owner of the property in the 1860's. We are in need of individuals with a riding lawnmower to help maintain the cemetery once a month. To find out how you can help the Historical Preservation Committee with any of these projects, please contact Ofa "Mary" at 817-685-1649 or ofaiva-siale@ci.euless.tx.us.

Look for the Healthy New Euless Logo

The City of Euless launched a campaign to create a "Healthy New Euless" in April of 2006. We are still encouraging our citizens to improve their healthy lifestyle behaviors. In order to assist you in this effort, look for recreation programs marked with the Healthy New Euless logo. This logo indicates a smart choice for your health and wellness needs. Participants that enroll in at least five "Smart Choice" classes per year will receive a free Healthy New Euless t-shirt.
