Greetings from the Mayor

Welcome

Dear Citizens,

Spring has finally come to Euless just in time for our Arbor Daze celebration. What a crazy winter season with rain, snow, sleet, hot and cold weather.... I guess the old adage of "If you live in Texas just wait a moment and the weather will change." We do enjoy lots of weather changes in Texas and that adds to the joy of living here.

With the springtime we hope you have enjoyed the amenities of our beautiful parks. We have added new walking trails, new park benches and lots of new plantings not only in the parks but also along the streets and city hall campus.

Our library is in the process of being renovated with additional space and new carpeting. The library is such an active place for citizens of all ages and we hope you take advantage of the many offerings. Our staff is quite knowledgeable and can assist you with your needs. There are several classes offered and most of them are free. All the concerts are so special and all free. Please read all about the many activities.

The Euless Library Foundation has decided on its newest art project for the library. It will be a beautiful wall tile about six feet by eight feet depicting the history of Euless. The Euless Historical Committee will join with the Foundation in selecting the historical sites to be depicted. Tiles may be purchased by any citizen and the prices vary from \$25 to \$900 depending on the size selected.

The library has one tile of the Log Cabin already and is on view for all to see. This is such a unique piece of art and all citizens can support the art and have your family name on the tile.

We congratulate our Employee of the Year, Cary Stevenson. He is truly a caring Euless employee. He has worked for our city for twenty five years and never missed a day of work. We are so proud of him.

We are sending many good wishes to our retiring Fire Chief Lee Koontz and thanks for his many years of service to our city. Please read all about the many innovations Chief Koontz has initiated in our Fire Department. He had truly been a leader not only in our city but in our community and our state. His lovely wife Lark, has added so much joy to our many celebrations representing "Sparky" the Dalmatian fire dog. Thanks Chief and Sparky!

We also congratulate the Fire personnel for the awards they received at the Fire Awards Banquet. They are listed inside the magazine and each award is so special to the firefighters and to our city. Many thanks from all our citizens to each of you. A special honor at the ceremony was given by our Medical Director Dr. Yamada to our "911 Response Team." How fortunate we are to have such dedicated members on our team! Congratulations to all.

Our next park in the city will be the Dog Park. The Park will be located inside the Villages of Bear Creek Park and there will be a divided area for large dogs and small dogs. We hope you will read all the rules of behavior for the dogs before you visit the park and we hope we have added all the amenities you have requested.

Our Texas Star Golf Course continues to win accolades from the golf world and we so appreciate our staff for making it one of the very top municipal courses in the Metroplex. We are undergoing a complete renovation of the Texas Star Conference Centre. You will see a lot of construction when you visit but the Texas Star will remain open during the construction and you may hear a hammer or two. It will be completed in about eight months and then be able to accommodate much larger crowds as well as many smaller groups. After ten years it needed some tender loving care as well as more room for our clients.

Each spring we have municipal elections as well as school board elections. We are fortunate in Texas to have early voting for two weeks prior to Election Day. The times and schedules are listed inside and early voting will take place in the Euless library. On Election Day, May 10, 2008, there will be voting in the Euless Library as well as Bear Creek Elementary School. You may vote for city council positions and school board positions.

As you read through the EULESS TODAY magazine please note the many activities happening in our city. We need and appreciate all the volunteers that support these activities. We could not do it without our volunteers and volunteers have fun and friendships to share. Won't you become one of our special volunteers?

Do take time to enjoy the interesting spring weather, the beautiful Texas wildflowers and the many activities available to each of our citizens.

City of Euless 2007 Employee of the Year Announced

The City of Euless is filled with great employees and Cary Stevenson is no exception. He is the embodiment of hard work, determination and loyalty. Stevenson is a Field Tech III for the Euless Parks Department and has dedicated 25 years of service to this city.

Do you ever notice how good our grounds look? Stevenson and his crew are responsible for maintaining the park grounds throughout the city which include mowing, trimming, picking up trash, cleaning all pavilions, grills and picnic stations, and making sure that our parks are safe for our citizens. Much of what he does rarely receives recognition and he does what is asked without question. He just does it. He has never turned down an additional responsibility or request from his supervisors. He'll do whatever is asked of him and never complains.

Stevenson has never once called in sick. He's always the first one at the shop, ready to go to work and he makes sure that everyone else is ready also. On cold, winter mornings, Stevenson starts each truck, turns on the heaters and defrost so that when the work day begins, everyone will be ready to go to work.

Cary Stevenson is the 2007 Employee of the Year.

Nominations for the Employee of the Year award are submitted by peers. He has a position that rarely if ever puts him in contact with employees outside of his department, yet some of the adjectives used to describe Cary in these nominations included reliable, trustworthy, devoted, honest, heart of a champion, drive, man of integrity, great representative of our city, man of character and constant.

Congratulations Cary on being selected as the 2007 Employee of the Year!

Eules Fire Chief Retires

Fire Chief Lee Koontz retired in March after 26 years with the city. During his tenure Chief Koontz emphasized the need for education and safety in the fire service.

Fire Chief Lee Koontz

Chief Koontz has retired after 26 years of service. He served as Fire Chief for 20 years and has dedicated a total of 26 years to Eules. He is one of the longest tenured Fire Chiefs in Tarrant County.

Under his leadership, Koontz oversaw many aspects of firefighting including Search & Rescue, Inspections, Investigations, Suppression and Rescue, Hazardous Materials Response, Vehicle Rescue (extrication) and Advanced Life Support Emergency Medical Service on both first response vehicles and Mobile Intensive Care Units (MICU). This is in addition to promoting public education of fire safety at every opportunity.

Koontz was personally responsible for leading his department through the transition to EMS response in 1988 and provided cross training for all personnel to provide both Fire and EMS response. He now ensures that the latest training is provided to his staff on a weekly basis.

In addition, the Eules Citizen's Fire Academy began under Chief Koontz's guidance, as well as the Alumni Association that supports the Fire Department in many capacities. The ECFAAA members play a vital role in helping to build better citizen involvement and participation as well as public education in Eules.

With his announcement, City Manager Gary McKamie stated, "Lee has been the Fire Chief for an amazing 20 years. He built the Eules Fire

Department into what I believe to be the best Fire Department anywhere. He started the Paramedic service in the late 1980's and directed our recent ISO rating which we think will result in a significant rating upgrade. His commitment and dedication is greatly appreciated and his impact on emergency services has been extremely valuable."

Most currently, Koontz has led the charge of reclassifying Eules' Insurance Services Office (ISO) rating. This was accomplished through his firm understanding of the evaluation process and his work to assure that fire infrastructure was in place to support fire protection in the community. Currently rated at a three, the ISO visited Eules in December and we have high expectations of receiving a higher rating in the summer. This may lower insurance costs for residents on the fire portion of their insurance premium.

Neighborhood Watch Groups

The Police Department needs your support for Crime Watch groups throughout Eules. We encourage our Citizens to form a Crime Watch Group within their neighborhoods.

Crime Watch groups play a very important role in the community. It's not only a great way to get to know your neighbors, but citizens can dramatically reduce crime by being a second set of eyes for the Police. Citizens will better understand the types of crimes that occur in their neighborhoods and learn how to prevent them.

Crime Watch groups lead many citizens into joining our CPA/CFA/CERT programs and may even lead to an area for volunteer work within the City.

If you are interested in starting a Crime Watch group, please call Officer Hoerth or Officer Parker by calling (817) 685-1536.

Kids Summer Police Camp

The Euless Police Department hosts two week-long summer camps for children ages 10-12 living in Euless. There is no cost for registration; however, each camp session is limited to 50 children. Children who attend the camp will learn team building, bicycle safety and navigation skills. As a special treat Euless Police Chief Mike Brown will cook a special lunch on the last day of camp.

Camp runs from 9 a.m. - 1 p.m.

Session I: June 9 - 13

Session II: June 16 - 20

Parents may get applications for the summer camp at the Police Department, 1102 West Euless Blvd. or at any Euless elementary school. For questions, please contact Officer David Parker at 817-685-1536.

Wireless Emergency Network Service

With Texas spring weather upon us, the City of Euless created the Wireless Emergency Network Service to notify citizens of emergencies. During actual disasters it was discovered that text messages will still transmit when voice messages would not. This became a valuable communication tool.

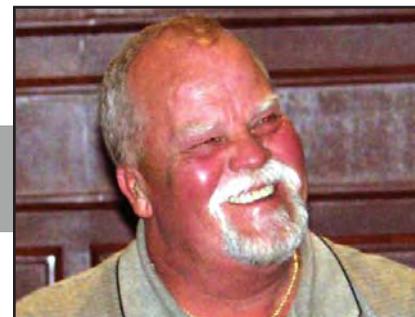

In the event of an emergency, a text message will be sent to the mobile number and/or email outlining the nature of the emergency. The system will be used for all hazards such as weather, chemical spills or lost children. In addition, subscribers will also receive automatic advisories and watches from the National Weather Service. Weather notifications of a more imminent, threatening or specific situation will be generated by the City.

This technology allows up to 25,000 messages per minute to be sent. There is no cost to the subscriber other than fees that cell phone providers may charge to receive text messages. To sign up, please visit www.euless.org/wens.

Euless Congratulates New Retirees

Jimmy Beck retired from his position as Horticulturalist in July from the Parks Department with 27 years.

Wayne Britt, Fire Captain, retired from the Euless Fire Department in January after 34 years.

Mike Christenson retired from the Euless Fire Department as a Firefighter/Driver/Paramedic with 25 years of service.

Jimmy Hunsuckle retired as a Field Tech from the Euless Parks Department with 9 years of service.

Child Safety Seat Check

The Euless Police Department is a member of the Child Safety Task Force and has several officers certified in the Child Safety Seat restraint system. The Task Force determines if the seat is installed securely in the car, inspects the seat size in relation to the child and installs child safety seats.

Members of the Child Safety Seat Task Force will be in Euless from 10 a.m. - 2 p.m. on Thursday, April 22 in the SuperTarget parking lot, 1201 W. Glade Rd.

Child Safety Seat checks are available free at any time throughout the year by appointment. Please call (817) 685-1563 for more information or to make an appointment.

Dog Daze 2008

Dog Daze will take place from 9 a.m. - 1 p.m. on Saturday, May 10 at the Euless Public Works Facility, 1513 Westpark Way. Veterinarian Gayla J. Maas will be onsite to administer low-cost vaccinations for Euless dogs. Groomers will also be available to give your pet a summer shave. Cost for a small dog is \$20 and a large dog is \$30. All grooming proceeds will be used in the Injured Animal Fund.

Vaccinations:

- Rabies
- DHLP
- Kennel Cough
- Corona
- Heart worm testing is available
- Lyme Vaccination is available

Free refreshments will be served to all participants. For more information, please contact the Euless Animal Shelter at 817-685-1594.

Water Conservation Ordinance

Even with the record rains last summer, Euless residents should not take water for granted. It proves the point even more that water levels cannot be predicted from one year to the next and we all need to make an effort to conserve water. After the drought of 2006, Euless officials realized that we need to protect this precious resource by enacting measures that make sense for Euless residents.

Effective July 2007, all Euless water customers fall under a new water conservation ordinance

that prohibits watering outdoors from 10 a.m. to 6 p.m. year-round. The new rules will apply to City water customers who use automatic and non-automatic irrigation systems and garden hose-attached sprinklers to water their lawns

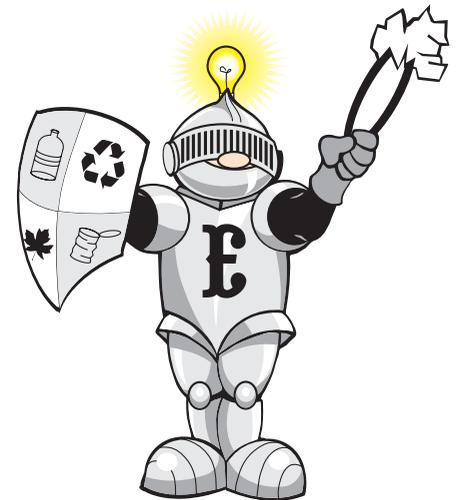

Watering between 10 a.m. and 6 p.m. is an inefficient method of maintaining yards. Water from sprinklers and irrigations systems is lost by evaporation due to heat and wind. In addition, daylight watering as well as domestic use, places additional demands on the water treatment plant.

The ordinance does provide for watering home foundations, lawns and new landscape plantings by handheld hose, drip irrigation or soaker hose. For more information please contact the Public Works department by calling 817-685-1694.

New Guidelines for Solid Waste

The City of Euless has continued solid waste service with Allied Waste Services for garbage disposal and Community Waste Disposal for recycling. The City of Euless' new guidelines for solid waste collection will begin in March.

Euless has renewed for five years with a rate increase of \$1.51 per month. The new rate remains one of the lowest in the region. Customers will see the rate adjustment reflected on the April billing statements. Seniors (age 65 and up) and residents who are permanently disabled will continue to receive a \$0.49 discount off the residential rate.

Residents north of Harwood will continue to have solid waste pick up on Tuesdays and Fridays with recycling days changing slightly. Those living south of Harwood will have Monday and Thursday solid waste pick up days. Please see the map on the second page for more detailed information in specific neighborhoods.

Residents will continue to receive "take all" service twice a week and curbside recycling once a week. "Take all" service means bulky items, such as brush, furniture and household appliances will be collected with the regular garbage.

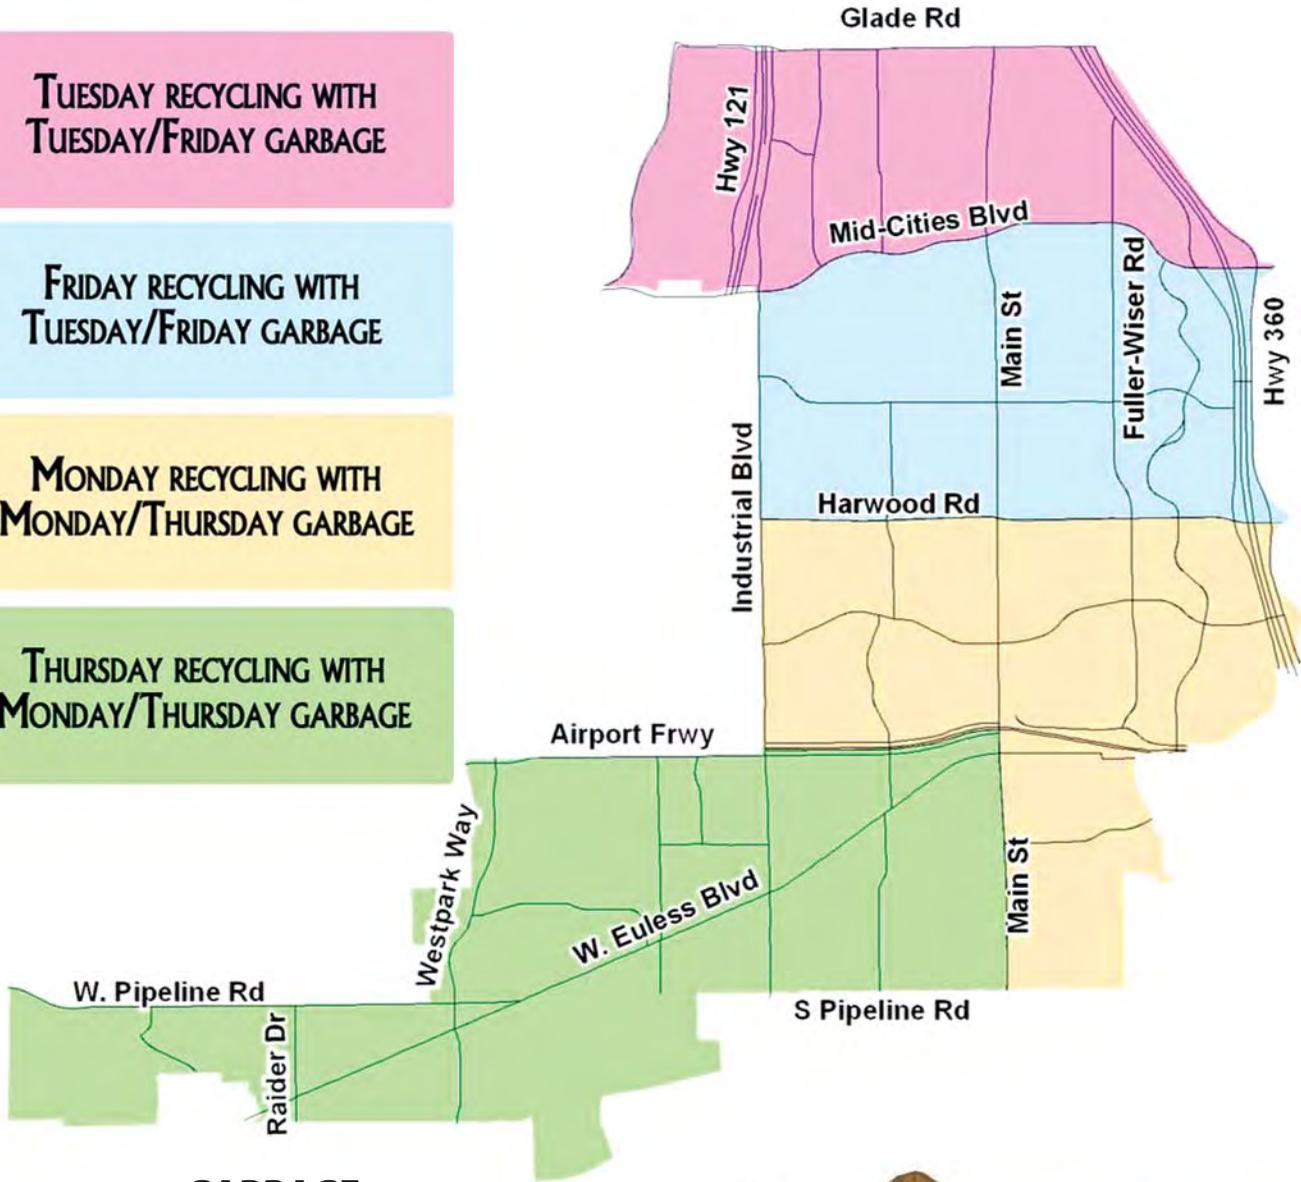

With these new guidelines, an additional bulky waste service has been added. Up to ten cubic yards of acceptable waste may be dropped off on Saturdays at the Allied Waste Services Transfer Station located at 6200 Elliott Reeder Road in Fort Worth up to four times a year. The transfer station is open to residential customers each Saturday from noon - 4 p.m. Proof of residency such as a current water bill or valid driver's license is required. This service does not include the disposal of hazardous waste or non-compactable waste.

Villages of Bear Creek Dog Bark...Park

The City of Euless welcomes leashed dogs in all of its parks. But now owners of well-mannered canines can take advantage of the new fenced Dog Park at Villages of Bear Creek Park where unleashed dogs can have more room to run and play. With just over 50% of Euless residents living in apartments, we recognized the need to provide man's best friend with some room to roam.

The double-gated, fenced, 3-acre off-leash dog area will be divided into two sections, one section for large dogs over 40 pounds and the other for small dogs less than 40 pounds. Each section will provide shaded areas, wash stations, drinking fountains for both humans and dogs, doggie bag dispensers, and many fun play features. When outside the dog park enclosure, all animals are required to be restrained on a leash at all times. This includes arriving and departing the dog park.

The dog park will open six days a week during daylight hours. It will be closed on Thursdays for maintenance. For dog park rules and regulations, please call 817-685-1429 or visit www.euless.org/pacs. You'll be in the doghouse if you don't visit this great new park. It's a doggone good time!

Doggie Do's

- DO scoop the poop. Please help prevent the spread of parasites and possible disease. We'll even provide the bags!
- DO license and vaccinate your dogs. (see pg. 7 for Dog Daze details)
- DO watch and keep an eye on your dog(s).
- DO avoid dog fights. If a fight breaks out, pull the dogs apart from the back.
- DO honor the limit of 2 dogs per visit.
- DO remove your dogs immediately at the first sign of aggressive behavior toward people or other dogs.
- DO enjoy this opportunity for your dog to romp and play off-leash in a fun, safe environment.

Doggie Don'ts

- DON'T bring puppies under 4 months to the park.
- DON'T let your dog dig holes in the park.
- DON'T leave your dogs unattended.
- DON'T bring small children. Larger dogs may find them more interesting than necessary.
- DON'T bring food or drink for yourself or your dog, other than water, if desired.

Barnett Shale in North Texas

Due to recent improvements in technology called hydrofracture technology, gas drilling has become more of a reality for oil and gas operators. Barnett Shale is a massive natural gas deposit that occurs naturally deep under approximately seven counties in North Central Texas and including northeast Tarrant County. The Barnett field stretches from Dallas west approximately 5,000 square miles and produces about 1.2 billion cubic feet of natural gas a day according to some industry reports.

Many residents in Euless may have gas reserves underneath their homes. If mineral rights to the home you own were obtained at the time of purchase, you may be contacted by a drilling company for a drilling lease option. In anticipation of the gas drilling, the City of Euless created a Gas Drilling and Production Ordinance with safety and quality of life at the forefront.

If you are contacted and have questions regarding gas drilling or leases, the City of Euless can not offer legal advice, but may be able to answer any general questions you may have. Please contact the Planning Department at (817) 685-1623.

Texas Star Undergoing Renovation

We all need a little face lift now and again. The ten-year old Texas Star Conference Centre is doing just that. Renovations began at Texas Star Conference Centre in February. The construction will be paid for by car-rental tax revenues. The renovation and expansion will take nearly a year until completion. This will not affect the golf course, Raven's Grille or the Pro Shop.

The expansion on the south side of the building will begin first and is scheduled to be complete during fourth quarter of 2008. A full-sized catering kitchen will be added along with an additional conference room to allow for capacity of 300 guests. In addition, two break-out rooms will be added for groups of 20 or less and improved audio-visual equipment including three mounted projectors and drop down screens will be installed throughout the conference centre.

The Raven's Grille will then move to the southern end of the building. The chef's will take over the full-sized catering kitchen and the small conference room will be used as Raven's Grille. The small kitchen will be increased to more than one and a half times its current size and the patio will be extended and enclosed with the capability of opening windows during nice weather. North side construction should be completed around February 2009.

Showing our dedication to the environment, green building techniques will be used during the renovation of the conference center. Sound deadening panels made from recycled polymers will be installed as well as low water urinals, toilets and sinks. Fluorescent lights will be replaced with incandescent light bulbs and all appliances will have an Energy Star rating from the government. A new air conditioning system will also allow for more energy efficiency.

These changes are much anticipated by all who use Texas Star and will allow us to continue to provide great service in a quality facility to our existing clients and new clients.

EULESS CAN FILM FESTIVAL - HIGH SCHOOL MUSICAL 2

*Benefitting the Tarrant Area Food Bank
Friday, May 9, dusk
Villages of Bear Creek Amphitheater
1951 Bear Creek Parkway*

Bring out the kids for this one of a kind musical movie. Boys and girls can sing and dance along with Troy and Gabriella in our beautiful outdoor amphitheater as mom and dad relax under the stars. There will be a raffle for great HSM2 door prizes. This event will benefit the Tarrant Area Food Bank which serves Tarrant County and twelve surrounding counties.

Admission - one canned food item.
Raffle Tickets - One ticket for each canned food item donated.
Concessions provided by the Parks at Texas Star.

OUT OF SCHOOL BASH

Thursday, May 29, 1 - 5 p.m.
Kick off your summer with a day of free fun! The Midway swimming pool will be open, and inside the recreation center, compete in free-throw and slam dunk contests. The gym will also be open for basketball, dodge ball, and other games. Concessions will be available to purchase. Call (817) 685-1666 for more information.

PACS PARTNERS

Wednesdays this summer, 9 a.m. - noon

The Parks & Community Services Department is proud to offer this exciting new opportunity for the youth of our community. The goal of the PACS Partner program is to offer pre-teens an opportunity to gain valuable life experiences needed for future employment or for college applications as they learn work and volunteer skills by actively participating in various projects related to Parks and Recreation. Experiences would include things such as working with plants and trees in our city greenhouses, learning about and conducting playground safety checks, helping coordinate and volunteering at various special events, and much more. Get involved, gain valuable work and volunteer experience and see why we say, "Parks and Recreation - The Benefits are Endless!" Call (817) 685-1666 for more information.

FABEULESS CONCERT SERIES

The City of Euless continues to bring you the best entertainment that the great state of Texas has to offer.

MUSIC IN MOTION CONCERT WITH DAVE RUDOLFF

Saturday, June 21, 7 p.m.
*Villages of Bear Creek Amphitheater
1951 Bear Creek Parkway*

Need a reason to get the family off the couch? Please join us for our first ever Music in Motion Concert. This interactive show will be fun for the entire family. It begins with a 20-minute group aerobics session, followed by the wild and wacky music of Dave Rudolff. Dave has performed music all over the world and has written several songs for Disney movies. He will get kids and parents up and moving! Make healthier choices and be entertained all at the same time. Free for everyone!

TERRI HENDRIX WITH SPECIAL GUEST CAREY WOLFF

*Saturday, July 12, 7 p.m.
Texas Star Golf Course Pavilion
1400 Texas Star Parkway*

Terri Hendrix is a born and bred Texas singer-songwriter that defies all of the typical musical stereotypes. Her songs are folk, pop, country and blues all rolled together. Terri's grassroots career has migrated from singing at River Walk coffee houses to working with the Dixie Chicks and other great Texas legends. Please join this great evening of Texas folk music with Eules legend Terri Hendrix. Free for everyone!

JOIN OUR FAMILY OF VOLUNTEERS

The City of Eules Parks & Community Services Department designs, implements and produces several special events throughout the year. Each one is special & unique and is centered on the family. We need volunteers for each event because without volunteers our events would not survive. If you would like to help build a strong community, play an important part in someone's life and be a part of something exciting, then join our "Family of Volunteers." If you are interested in volunteering for any of the above events, please contact Jerry Poteet at 817-685-1449 or jpoteet@ci.eules.tx.us.
Volunteer opportunities are available for:
Eules Can Film Festival - High School Musical 2

Four Hours in History

What does four hours in history mean to you? For the Historical Preservation Committee it could mean scanning one hundred historical photos for the "Historical Album," giving a tour of Heritage Park, transcribing an oral history recording of the area, or helping maintain the grounds of Calloway Cemetery. To the Committee, four hours a month means the preservation of the area's history for generations of Euless residents to come.

The Historical Preservation Committee is currently working with the Euless Library Foundation on the "Historical Mural" to be displayed at the Library. This is a great opportunity for you to help sponsor the project by buying a tile in memory of a loved one, commemorate an event or have one made with your family name on it (see Library section for details).

Work has begun on a "Historical Photo Album" of the surrounding area. Hundreds of photos of homes, properties, people, etc. are in the process of being scanned. If you have old photographs and would like to include them in the Euless historical album, your photos will be scanned and returned to you within seven business days.

If you have a little bit (or a lot) of interest in history, and you've thought about volunteering but never got around to it, this is your perfect opportunity to make a difference with the many on-going projects the Committee is working on. Help us preserve and promote awareness of the historical heritage of the area for future generations. To find out how you can help, please contact Ofa "Mary" at 817-685-1649 or ofaiva-siale@ci.euless.tx.us.

PRACTICE SESSIONS will be offered on weekdays 3 to 4 times a week at Central Junior High School. Practice will begin the week of May 19th.

COMPETITIVE MEETS are scheduled throughout the area on weekends. All qualifying meets are sanctioned by the Texas Amateur Athletic Federation (TAAF), which offers tracksters the opportunity to advance from local meets to regional meets and then to State competition at the 2008 TAAF Games of Texas held in late July.

PRE--REGISTRATION will be held at Midway Recreation Center, 300 West Midway Drive, now through May 25th. Cost for the program will be \$10 per participant. After May 25th the fee will be \$15 per participant. The fee includes TAAF registration, a City of Euless Track Team Shirt and professional instruction. Price does not include entrance fees for circuit meets. Specific workout and meet information will be made available at registration.

POOLS OPEN FOR THE SEASON ON MAY 31st!

Special Daze at the Pool

"2 Fer 1" NIGHTS: Thursday nights, two people for the price of one. Starting at 5 p.m.

FATHER'S DAY: June 15, all fathers get in free with their child.

INDEPENDENCE DAY: July 4, ice-cold watermelon slices served to all patrons at each pool. Pools close at 6 p.m. on July 4.

Personal Flotation Devices

Although, personal flotation devices, i.e. water wings, raft, inner tubes, etc., offer fun and enjoyment, many accidents and drownings have been attributed to the use of these devices. Therefore, the City of Eules does not allow the use of any flotation devices. The only exception to this policy would be Coast Guard-approved flotation devices.

Swimming Pool Reservations

Pools may be reserved for private parties during non-public swim hours. Only adults may make reservations.

Resident Rental Rates: \$90 (2-hour rental)
Non-Resident Rental Rates: \$100 (2-hour rental)
 Includes lifeguard fee up to 50 swimmers.
