

SUMMER / FALL

2009 EDITION

EULESS ★ Today

DEPARTMENT AWARDS ★ RECREATION CLASSES ★ SPECIAL EVENTS

Greetings from the Mayor

Welcome

Dear Citizens,

What a busy summer we've had with many activities both in our cool buildings and outside in our warm sunshine.

The many volunteers that helped with our Euleless Revitalization program in June during two very hot days never complained and did such a fantastic job helping others with a happy smile. We have so much to be thankful for in our city and volunteers are number one. Our volunteers consisted of citizens, church members, fire and police academies, businesses, restaurants, city staff members and even those from other cities. We totaled over 400 volunteers for two days. It's easy to see why Euleless was selected as the Best Small City in Texas to Raise Your Kids as well as one of the Best Places to Live.

And while we are bragging, we want you to know Euleless, Bedford and Hurst won the Regional Cooperation Award from the North Central Texas Council of Governments for assisting with the transportation needs of our citizens with HEB Transit. This is the fourth time Euleless has won this most prestigious award.

The United States Conference of Mayors recognized the Euleless Revitalization program as a finalist at their national conference. You may remember Euleless won the City Livability Award two years ago with our Compost-ology program.

The library has been a place of cool activities with plenty to do for all ages. The summer concerts are free and lots of you are enjoying them. Participation in the Summer Reading Club has increased to over 800 this summer, not including adults. There are many continuing programs for you to enjoy.

Our parks are such a joy to so many citizens, but then there are some who find joy in vandalism. We suffer over \$25,000 in damages to our parks each summer. Now there is a way for citizens to help by calling Crime Stoppers and reporting the crime if you know who committed the vandalism. All calls are anonymous and many times there is a monetary reward.

The Texas Star Golf and Conference Centre has been completely remodeled with additional space in the Conference Centre and the Raven's Grill. A lovely new enclosed porch has been added along with the two outside porches. There are new additions to the menu and the Sunday brunch continues to be a favorite meeting place for friends.

The new art work will be in place in late August and will continue with the historical additions already at the Texas Star. This statue will be a bronze work showing three Indians from different tribes signing the peace treaty while Sam Houston is watching. The artist is Cindy Burleson from Austin. Cindy has created all of the bronzes in the city.

Do read all the articles in the Euleless Today as there are so many activities listed for all ages and some need early registration. While the city staff and Council are closely watching our budgets, we will still provide the services our citizens have come to enjoy.

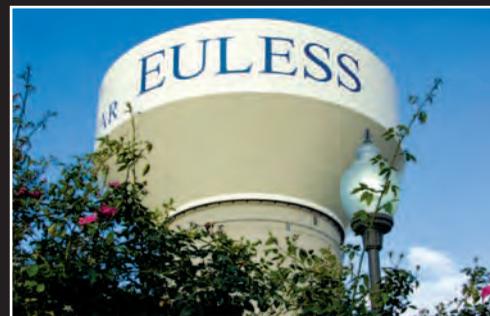

We continue to Build a Better Euleless for our citizens today and tomorrow. We are a FabEuleless city because of our volunteers!

Public Safety Events

National Night Out

The 26th Annual National Night Out, America's night out against crime, will be observed from 6 - 9:30 p.m. on Tuesday, October 6 in Texas. Initiated by the National Association of Town Watch in 1981, NNO is designed to heighten crime and drug prevention awareness, generate support for local anticrime programs, strengthen neighborhood spirit and police-community partnerships and send a message to criminals that neighborhoods are organized and fighting back. Neighborhoods across Euless are sponsoring block parties, cookouts and visits from police and fire representatives. Over 35 million people in more than 11,000 communities across all fifty states participated last year. So, turn your porch light on, organize a block party and "fight back" against crime in your community. You can request a visit by representatives of the fire department at 817-685-1600 or a police representative at 817-685-1536. Firefighters from all three stations and the fire safety clowns will be out visiting various organized block parties around town.

Fire Prevention Week

Fire Prevention Week, the longest running public health and safety observance on record in America, will be observed this year October 4-10. Proclamations have been signed by U.S. Presidents every year since 1925 proclaiming the week in which October 9 falls as Fire Prevention Week. On the night of October 8-9, 1871 the great city of Chicago was devastated by fire. The fire destroyed more than 17,000 buildings across 200 acres of the city, killing over 250 people. Strangely enough, another fire occurred the same night in the forests surrounding Peshtigo, Wisconsin. While nearly lost to history by the shadow of the Great Chicago Fire, the Peshtigo fire burned over one million acres, destroyed 16 towns and killed more than 1,100 people. Those two fires forever changed the way public officials thought about fire safety. In 1911, on the 40th anniversary of these fires, the Fire Marshals Association of North America declared that the anniversary of the Great Chicago Fire should be "henceforth observed in a manner that would keep the public informed about the importance of fire prevention." In 1920 President Woodrow Wilson signed a proclamation

proclaiming the first National Fire Prevention Day. By 1922 it had become Fire Prevention Week, and the rest, as they say, is history. Be fire safe!

Fire and Police Open Houses

The Euless Police and Fire Departments will both host Open Houses from 10 a.m.-2 p.m. on Saturday, October 3. The Police Open House will be held at 1102 W. Euless Blvd. and the Fire Open House will be held at Fire Station #3, 202 S. Main St. Both events will have activities for children, tours of the facilities and members of the Citizen's Emergency Response Team, Citizen's Fire Academy, Citizen's Police Academy and Citizens on Patrol. Plus, visit with clowns from the S.A.F.E.T.Y. Troop, along with Sprinkles, the police department's new safety clown. In addition, representatives from each department will be available to answer questions and discuss their important role in the community. These events are free and everyone is invited!

Mission Eules Revitalization

In an unprecedented effort of teamwork and volunteerism, nearly 500 volunteers pledged to help revitalize 15 homes over two days through the Eules Revitalization program. On June 19 and 20, 6 Stones Ministries, DW Redo and the City of Eules partnered with local churches and businesses to make a dramatic impact in our city.

The newly formed 6 Stones Mission Network, a non-profit ministry focusing on compassion ministries to the community, provided funding and DW Redo, a local home remodeling company, provided project planning and volunteer coordination.

The quality of life in Eules has been greatly improved through the Eules Revitalization program. In the same way that decline can begin to infect a community, so can pride of ownership inspire a community. The program has had an incredible trickledown effect in Eules neighborhoods.

We are fortunate to tap into some of the most dedicated and hardworking volunteers in Texas and the contribution they make to Eules is exceptional. Volunteers of all ages, skill levels and knowledge were able to lend their neighbors a much needed helping hand with their homes. Numerous homes have already been renovated and restored within our city with remarkable results and this program will only continue to grow. We're changing lives one house at a time. For more information, please visit www.eules.org/ER.

Six City Employees to Retire

Six city employees have opted to retire at the end of May, taking with them a total of 183 years of service to the city.

Carol Agee, Administrative Secretary in the Police Department, retired following a 35 year career with the city.

Dolores Tijerina, Secretary in the Parks Department, retired at the end of May following 31 years with the city.

Sergeant **Joe Foran**, Police Department, also retired at the end of May after a 27 year career in Eules.

Board & Commission Appointments

Steve Wiltshire, a Field Tech III in the Parks Department, retired in May with 27 years of service to the city.

Becky Null, Deputy City Secretary, retired following 35 years of service to Eules.

Cathy Moody, Communications Supervisor in the Police Department, retired after 21 years of service.

Our sincere congratulations and best wishes go out to these employees!

The City of Eules is currently accepting applications for volunteer positions on various Boards and Commissions to be appointed in October 2009. Time and frequency of meetings vary, depending upon the board or commission on which you serve.

The following Boards and Commissions will have openings: Civil Service Commission, Historical Preservation Committee, Library Board, Parks and Leisure Services Board, Planning and Zoning Commission, and the Zoning Board of Adjustment.

Applications and additional information on these boards are on the website www.eules.org/cso. You may also contact the City Secretary's Office for an application at (817) 685-1434. Applications must be completed and returned to the City Secretary's Office by Friday, September 25, 2009.

Reclaimed Water

In an extraordinary effort of team work, the cities of Eules and Arlington along with DFW Airport are working with the city of Fort Worth to explore opportunities to re-use waste water (reclaimed) from the Village Creek Treatment Plant in Fort Worth. Reclaimed or "recycled" water is produced from the water we use and discard every day. After proper treatment, it is ideal for many non-drinking purposes such as landscape watering. Reclaimed water is rapidly becoming a valuable resource and is a practical method of relieving the demand on potable water supplies.

We anticipate that once the infrastructure is in place, reclaimed water will be used for irrigation at Texas Star, the Parks at Texas Star and Softball World. It may also be available for heavy industrial uses. Since it is treated wastewater, it is not subject to drought restrictions and may provide additional nutrients to the turf, which makes good environmental sense. By using reclaimed water, we're working together to provide high-quality water for our environment and for the future. It provides an efficient use of the region's water resources while conserving valuable water supplies for the region. Every gallon of reclaimed water used for outdoor watering represents a gallon of potable water saved for drinking.

Parks & Community Services

Crime Stoppers

Help us protect your parks. You can make a difference! The Euless Parks & Community Services Department has recently partnered with the Euless Police Department to expand our Community Crime Stoppers program to include our city's parks. Each year it is estimated that vandalism to our parks system costs us about \$25,000 in repairs and manpower to repair parks equipment and/or parks grounds that have been vandalized. If you should happen to witness someone vandalizing park property, contact Crime Stoppers at 817-469-TIPS (8477). Remember, tipsters may remain anonymous and may be eligible for a reward for information leading to an arrest. Help us keep our parks and facilities safe for the children and families of Euless.

A summer camp class, participating in the PACS Partners program, assisted in making Crime Stoppers signs...

Historical Artifacts - Donate or Loan
