

EULESS TODAY

Dear Citizens,

I hope you enjoy the information provided in this newsletter. You will see immediately that this issue focuses on safety in Euleless. From safer streets to training for our firefighters, to self-defense for our residents, we are alert.

The Library has all sorts of great programs and projects. Especially the Purls of Wisdom. If you have extra yarn laying around the house, they can use it to make hats for all ages.

This is the twelfth year that Texas Star Golf Course has hosted the Collegiate Players Tour. We are honored to have such great young players on our golf course. We always need help with this event. Please call if you would like to volunteer.

Do enjoy your summer and keep safety foremost in your activities. Euleless is a FABULESS place to live and play.

Euleless Creates Safer Streets for Pedestrians, Bicyclists and People with Disabilities

Euleless residents may have seen construction work on sidewalk ramps at street intersections recently. Since 1990, any new sidewalks installed in Euleless have been built with ramps in order to comply with the Americans with Disabilities Act (ADA).

Euleless currently has both sidewalk maintenance and street overlay programs. These programs were created to maintain our aging infrastructure. During major improvements on a

street, such as a street overlay or sidewalk rehabilitation, ramps are either installed or reconstructed to meet current ADA standards.

Accessible sidewalks improve pedestrian and bicycle safety and enable people with disabilities to reach their destination in the community and to enjoy the benefits of city services, programs and activities.

First Responders Focus on Gas Drilling Safety

The Euless Fire Department strives to provide proactive training for firefighters on a regular basis. Euless firefighters, along with emergency responders from the Northeast Fire Department Association, participated in a Gas Well Training class created by Tarrant County College and Chesapeake Energy Corporation. The course highlighted common drill site risks, rescuing personnel if needed and mitigation of a situation if one should occur.

The curriculum took place both in the classroom and on site. For local responders, this is a new field where

training and communication are key. This training will become more important as drilling increases, especially for first responders, so they know what to expect when arriving on the scene. The focus is on safety.

Euless Fire Chief Wes Rhodes said of the class, "Historically, emergencies at pad site locations have proven to be extremely rare. However, as first responders to an emergency, we want to ensure that Euless firefighters are prepared for a call of this nature."

Adult ESL Class for Beginners

English as a Second Language for Beginners is a free, twelve-week class for adult (18 and older) students who have never studied English or have very little knowledge of the language. Registration will take place August 1-31, and classes will start on September 6. The class will meet on Tuesday afternoons from 1 - 2:30 p.m. Childcare is not provided and space is limited, so please register early. Potential students may only apply in person at the Adult Reference Desk.

ESL Conversation Club

The ESL Conversation Club meets Tuesday evenings from 7 - 8:30 p.m. This club is open to intermediate and advanced adult learners of English. Registration is not required. Just show up ready to practice and have fun. Childcare is not provided.

Yarn Donations Needed

The Purls of Wisdom needlework group needs yarn donations. Premie caps are given every three months to the March of Dimes, and they are immediately distributed to needy babies in local hospitals in Tarrant County. Yarn for preemies must be extra soft, and made from either cotton or acrylic. Yarn is also used to make warm winter scarves for homeless children and adults being assisted at Union Gospel Mission in Downtown Fort Worth. This is a wonderful way to get rid of unused items and make a huge difference to others in your community. Donations can be dropped off at the Adult Reference desk. Thank you for your generous support!

Free RAD Course for Residents August 9, 16, 23, 30 – 6:30 p.m.

The Eules Police Department is offering a free self-defense class for women called Rape Aggression Defense (RAD). This class includes verbal instruction, actual defensive tactics techniques and a practical exercise. Classes will be held on Tuesday evenings in August. For details call 817-685-1686.

Collegiate Players Tee-Off for 2011 National Championship at Texas Star Golf Course

As college students are beginning to think about the start of school, there is one group of college golf athletes who only have the National Championship on their mind. The City of Eules and Texas Star Golf Course are proud to host the Collegiate Players Tour (CPT) National Championship the week of August 8-11. Texas Star has been the host course for the CPT National Championship for over twelve years, and the golf course is in great condition to host this collegiate event.

If you would like to be a part of this event, volunteers are needed for spotters and shuttles on the course during the event. Call the Golf Shop to sign up at 817-685-7888.

"These college players are so full of energy and enthusiasm, which quickly spreads throughout Texas Star during this tournament," said Dan Walden, Texas Star Head Golf Professional. "We truly enjoy hosting this event each year and watching these future golf professionals play their heart out on our golf course."

The CPT is a nonprofit organization that was founded in 1993. CPT founder and Executive Director, Barry Rodenhaver, is a former Southern Methodist University golf coach. State Farm Insurance is the official sponsor of CPT and has dedicated many volunteer hours preparing for this event.

Fall Baseball League Registration

Fall Registration will begin on July 9 and end on August 21. Games will begin the week of September 10, 2011. "A," "AA" and "AAA" Leagues will play an eight game season. All "A" and "AA" games will be played on Saturdays. "AAA" games will be played on Thursday night, during the months of September and October.

You may register your players individually by visiting the Eules Family Life Center located at 300 W. Midway Dr. or register your "AA" or "AAA" team online at www.ParksAtTexasStar.com. For questions, e-mail us at pats@eulesstx.gov. Leagues are based on age as of April 30, 2012.
