

EULESS TODAY

Dear Citizens,

As the heat continues during the long summer days, we do hope you are conserving water, gas and electricity. Remember to only water "before 10 a.m. and after 6 p.m." If the heat continues, watering restrictions will be implemented.

All of our Recreational facilities are air conditioned so do take advantage of the library, fitness center, senior center and the of activities inside designed to keep you active and healthy.

The City Council and staff are working diligently to bring together the city budget for 2011-12. We appreciate your input at the June Town Hall meeting. The budget will be considered at the August 30 Council meeting and will be made available on the city website and at the Library. The Council will approve a balanced budget!

Watch the Glade Parks development grow. It is located on the west side of Hwy 121 south of Target. Shortly you will see buildings going up along with homes and restaurants. Do drink lots of water and keep cool! Don't forget to volunteer for the CPR in October.

Community Powered Revitalization (CPR)

Do you have peeling paint? Damaged siding? Overgrown landscaping? A leaking roof? Maybe we can help!

For the past three years, volunteers from local churches and businesses have come together to help struggling families make repairs to their homes in an effort known as the Euless Revitalization program. Due to the amazing growth and community support of the ER Program, other cities have expressed interest in expanding the program into their neighborhoods. As a result of joining forces with these other local communities, the ER program has evolved into the Community Powered

Revitalization (CPR) program. Our next repair blitz will take place October 14 and 15 in Hurst, Euless and Bedford neighborhoods. If you own your home and meet any of the following conditions, you may be able to receive free assistance in repairing your home.

- Disabled
- Over age 62
- Low income
- Single head of household with minors

At our last event, hundreds of volunteers from the community helped to repair homes in just one weekend. In October, we will be focusing on exterior repairs for homes in your neighborhood. If your owner-occupied home is in need of this type of work, and you meet at least one of the program qualifications shown above, please submit an application as quickly as possible.

For more information about the CPR program, please call 817-685-1821 or visit www.6Stones.org.

Though it is rusted, its strength and fortitude is not diminished.

Though it is weathered, it is powerful.

Though it is scarred, it is solid.

Though it is scorched, it is still resilient.

The perpetual flame radiates our devotion to the United States of America.

It glows fervently with pride and admiration.

It reflects our patriotism and love of this country.

It burns with dignity and honor.

We will honor those who sacrificed their lives.

Our hearts will heal.

We will remember.

9-11 Artifact

The City of Euless is now the proud owner of an artifact from the World Trade Center. The artifact is a 12-foot long, 6,000-pound steel beam that is a relic from the September 11, 2001 terrorist attacks. This artifact will be displayed in front of the Euless Fire Administration Building as a memorial to the thousands killed that tragic day. The memorial will be complete by the tenth anniversary of September 11, 2001. May we never forget!

Please join us for a ceremony on Sunday, September 11, 2011 at 7:30 a.m. commemorating the 10th anniversary of the terrorist attacks on our nation on September 11, 2001. A significant portion of the ceremony will occur at the time of the first attack on the World Trade center at 8:46 a.m. Eastern Time (7:46 a.m. Central Time).

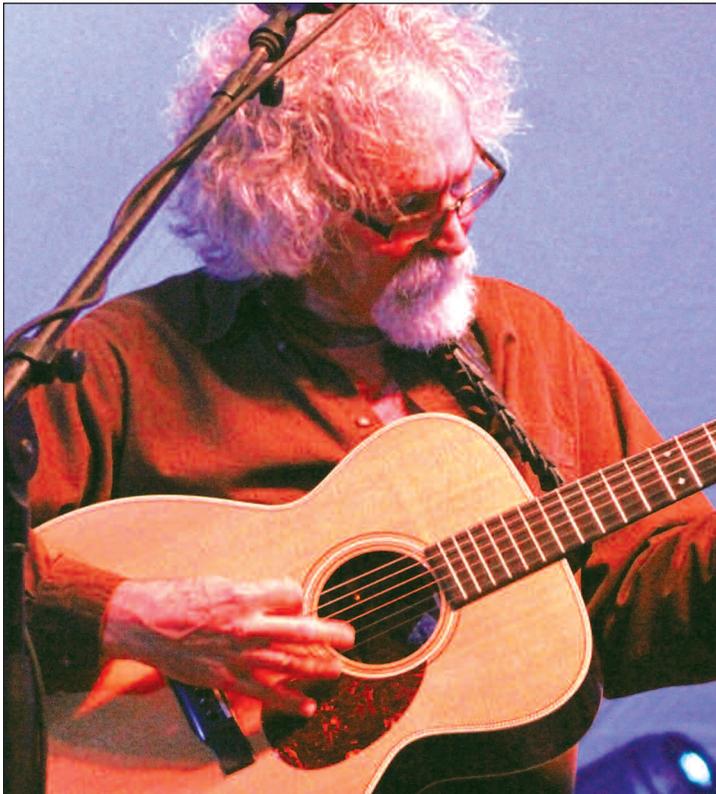

National Preparedness Month

The Department of Homeland Security and the City of Euless want to remind everyone that September is National Preparedness Month. This being the tenth anniversary of 9-11, the theme is: "This September: A Time to Remember; A Time to Prepare."

Please take steps to prepare for an emergency or a

disaster at work and at home. Prepare. Plan. Be Informed.

For more information on how you can be informed, go online to Ready.gov or access www.eulesstx.gov and click on Emergency Preparedness on the police page.

Dave Walser of Beatlegras in Concert

Sept. 26, 7 p.m.

Eules Library, 201 N. Ector Dr.

James Taylor once referred to the 60's in a tongue-in-cheek manner as "The Great Folk Scare." Everyone who had a guitar was a singer/songwriter. Some were pretty good at it and became famous.

As a part of the ARTSNET Masterworks Series, Dave Walser will be performing songs from his current album in progress called *Of Beatles, Dylan and the Great Folk Scare*. The songs are classic folk songs from Lennon/McCartney, Bob Dylan, James Taylor and others.

Walser remarked, "They were songs of great poetry and messages of change in a unique era of peace and love. It was a time of change and moving forward with civil rights. And it was a time that I grew up in. I love those old songs and will be bringing my own nostalgic influences to a show I look forward to."

Verlon Thompson in Concert

Sept. 9, 7 p.m.

Eules Library, 201 N. Ector Dr.
