

# EULESS TODAY

Dear Citizens,  
Last year, the State of Texas designated March as Women Veterans Month in tribute to the immeasurable

contributions that women in the military have made to this nation. Long before they gained regular admission to the military, thousands of women assisted the uniformed branches as nurses, water bearers, laundresses, and cooks, sometimes served as spies and saboteurs, and on occasion even took up arms.

The number of women veterans now totals 1.8 million and Texas is home to more than 150,000 women veterans, the second highest number of any state in the nation. The women who have served in the United States armed forces have demonstrated tenacity, courage, and professionalism, and they are deserving of their fellow citizens' deepest gratitude and unflinching support. TOGETHER WE ARE BUILDING A BETTER TOMORROW.

## New CERT Class Begins April 4

The Community Emergency Response Team (CERT) is an initiative of the Police and Fire Departments to ensure that our community is informed and prepared in the instance of a disaster. CERT training promotes a partnering effort between emergency services and the people that they serve. The goal is for emergency personnel to train members of neighborhoods, community organizations or workplaces in basic response skills. CERT members are then integrated into the emergency response capability for their area. If you would like to learn more about CERT or would like to take the course, please contact Officer James Gordon at 817-685-1686 or visit [www.eulesstx.gov/police/em](http://www.eulesstx.gov/police/em).

## Amateur Radio Eules

Are you looking for a new hobby? Curious about amateur radio or already licensed to operate? Come and join us at Amateur Radio Eules (ARE). Amateur radio, also known as "ham radio" operators assist Emergency Management by providing emergency communications in disaster situations. ARE has participated in local events such as Arbor Daze where members have assisted in locating lost children. ARE meets at 7 p.m. on the second Wednesday of the month at the Eules Police Department. Please visit [www.w5eul.com](http://www.w5eul.com) for more information or call 817-685-3144.

## Check your Smoke Detectors

Most people will trade an hour's sleep on March 11 to "spring forward" for more sunlight in the evenings.
