Dear Citizens,
We have lost a valued member of our City Council with the passing of Councilmember

Glenn Porterfield. Glenn served as a City Councilmember for 15 years and always made thoughtful, deliberate decisions on behalf of the City of Euleless. His work experience as a banker was invaluable during budget time and his service on the DFW International Airport Board helped to strengthen our partnership with the airport even more. He loved this community and worked hard to make sure Euleless residents maintained a high service level and great quality of life. He especially loved Texas Star Golf Course and would have loved playing on the new greens when the course reopens. The greens are a golfers dream come true. He would have even liked the new bunkers!

Texas Star Golf Course Grand Re-Opening - October 1

We are rolling out the Green Carpet!

Texas Star Golf Course invites you to roll a putt onto our plush new MiniVerde™ greens. We will re-open for play on Wednesday, October 1st. All 18 of our greens have been resurfaced with MiniVerde™, the finest ultradwarf Bermuda grass. This hardy grass holds up well under the Texas heat and has become the preferred choice for putting surfaces in southern climates. You will enjoy our reconstructed Premier White crushed quartz sand bunkers – whether you are in them or just looking at them. You will also notice other improvements including leveling and expanding many tee boxes and renovating the water feature on hole #16.

The greens are fast and gorgeous! Take a drive, chip and putt. We know you're going to love the improvements. Come check them out!

Stars over Eules

October 4, 8:30 - 10 p.m.

Bob Eden Park, 901 W. Mid-Cities Blvd.

Join the Eules Parks and Community Services Department and the staff of the world-renowned Noble Planetarium as we teach area residents about the stars and planets. Planetarium staff will conduct a Powerpoint presentation on different elements in the nighttime sky. Astronomers will bring out powerful telescopes so kids can gaze into outer space and learn about the order and function of stars and planets in the sky. Bring out a blanket for the entire family and enjoy a great evening of educational fun. Refreshments will be available for purchase. Call 817-685-1666 for more information.

Public Safety Open Houses

October 4, 10 a.m. – 2 p.m.

Police & Courts, 1102 W. Eules Blvd.

Fire Station #3, 202 S. Main St.

Join the Eules Police and Fire Departments as they both host Open Houses. Take advantage of this rare opportunity to take a tour, climb in and out of police cars and fire trucks and ask questions about the facilities. There will be many activities for children, including bounce houses and safety demonstrations along with members of the Citizen Emergency Response Team, Citizen's Fire and Police Academy Alumni and Citizens on Patrol. Plus, visit with clowns from the S.A.F.E.T.Y. Troop. These events are free and everyone is invited!

National Night Out

October 7, 7 p.m.

Turn on your outside lights, lock your doors, and spend the evening outside with 35 million people in more than 11,000 communities. Each year on National Night Out, Eules residents proactively deter crime by organizing a variety of special events within their neighborhoods. Get your neighborhood involved in National Night Out to promote police/community partnerships, and learn about violence and drug prevention while building neighborhood unity. Send a message to criminals letting them know your neighborhood is organized, involved, and fighting back.

The Eules Police and Fire Departments invite all neighborhoods in Eules to meet in their neighborhood parks and join with the police and the nation to "take a bite out of crime." You can request a visit by representatives of the Fire Department at 817-685-1600 or the Police Department at 817-685-1536.

Fire Prevention Week October 5 - 11

*Smoke Alarms Save Lives:
Test Yours Every Month*

Did you know that many people don't test their smoke alarms as often as they should? When there is a fire, smoke spreads fast. You need working smoke alarms to give you time to get out. Almost three out of five of reported home fire deaths in 2007 to 2011 resulted from fires in homes with no smoke alarms or no working smoke alarms. Make sure yours are working; test them every month!

We urge you to protect your home and family with life-saving technology and planning. The Eules Fire Department S.A.F.E.T.Y. Troop clowns will be presenting their fire safety message to all Eules elementary schools during this time. If you have kids, talk to them about fire safety to help reinforce the message.

Safely Dispose of Unwanted Medication

*September 27, 10 a.m. – 2 p.m.
Eules Police Department
1102 W. Eules Blvd*

Do you have old medicine taking up space in your cabinets? Has it been there for years because you don't know what to do with it? The National Take Back Initiative is a joint effort of the DEA and Eules Police Department that is focused on removing potentially dangerous substances from our medicine cabinets. Medication should never be flushed down the drain.

This event will provide an opportunity for the public to surrender all expired, unwanted or unused medications to police officers for destruction. Participants dropping off medicine will be able to do so anonymously.

Intravenous solutions, injectibles, and syringes will not be accepted due to potential hazard posed by blood-borne pathogens. For additional questions, please call Cpl. James Gordon at 817-685-1686.
