# EULESS TODAY

Dear Citizens,  
Have you completed your 2020 Census yet? You should receive an official Census Bureau postcard between March

12 and March 20. The mandatory survey is easy to complete and your personal information is kept confidential. The best part is, you can submit your answers online, over the phone or by mail.

It's important that everyone be counted. The 2020 Census results affect how much funding we receive for Medicare, Medicaid, highway planning/construction, national school lunch program, nutrition programs for seniors, state children's health insurance, adoption assistance, crime victim's assistance, business and industry loans, career and technical education, head start preschool, homeland security grants, health centers, foster care, low income energy assistance programs and more.

Be Counted Day is April 1. You can find more information regarding the 2020 Census at [www.census.gov](http://www.census.gov).

## *Crime Control and Prevention District Renewal Election*

Eules voters will have the chance to decide whether to renew the Crime Control and Prevention District (CCPD). Eules citizens will consider extending the quarter cent sales tax used for crime control and prevention. In September, the CCPD Board called an election for May 2, 2020 for consideration of the continuation of the CCPD and a 20-year extension of a quarter cent sales and use tax that is charged on taxable purchases in Eules. Eules residents passed the CCPD sales tax in 1995 and again in 2000 which allowed the City to receive this funding for 25 years now.

This funding is exclusively for expenses for the Police Department and currently funds 19 Police Officers, a Crime Victim Liaison, a Mental Health Peace Officer, Regional SWAT Team, radio communications equipment, EPIC program (for elementary schools), community programs and technology upgrades.

Early and regular voting will take place at the same time and place as the General City Council Election listed in this newsletter.
