EULESS TODAY

Dear Citizens,
It's the start of a brand new year and we have a lot of great things on the horizon. First of all, please join us for the Town Hall meeting. It's great way to learn about upcoming projects and programs and a great place to ask questions or give suggestions.

January is also a great time for resolutions. If fitness is a resolution of yours, there are some great opportunities to start the new year off on the right foot. The Euleless Family Life Center will offer a Free Fitness Day towards the end of the month that will give you a chance to try out classes, find instructors that you like and take a complete tour of the facility.

We are also kicking off the It's Time Texas Challenge. This is a statewide completion that encourages more activity, healthier eating and community health events. Please consider joining us in this challenge and help us win some money for our local schools.

IT'S TIME TEXAS Community Challenge

January 8 - March 4

New Year, New You! Now is a great time to start living a healthier lifestyle and IT'S TIME TEXAS can help you. Presented by H-E-B, this challenge is a free, statewide competition in which Texas communities compete to see which communities can demonstrate the greatest commitment to healthy living. IT'S TIME TEXAS Community Challenge starts on January 8, 2018 and runs through March 4, 2018. Winners will be announced on the IT'S TIME TEXAS Facebook page.

IT'S TIME TEXAS will award five communities with a custom trophy and a banner recognizing their achievements, as well as a \$1,200 check to fund a healthy project at school. Plus, the winners will receive statewide recognition and bragging rights for the rest of the year.

There are a number of different ways to earn points for your community. To start, you must be a registered user at the website, www.ItsTimeTexas.org, which will award your community 50 points. Once registered, visit your Community's Profile Page on the site to submit different activities to help your community compete for the crown.

Last year more than 23,500 Texans, representing roughly 330 communities participated in the Challenge. They exercised more and tracked their workouts, ate healthier, organized group and community health events, and encouraged their friends, family, colleagues and fellow community members to join them in demonstrating their commitment to healthier cities and a healthier state. Let's get healthy. It's time, Eules!

Wanted: Teen Court Volunteers

The H.E.B. Teen Court is looking for adult and teen volunteers. Volunteering for Teen Court is a fun and great way to serve your community. Teens and adults work together to provide defendants the opportunity to take responsibility for their actions, while learning about the justice system. Teen volunteers learn public speaking skills, interviewing techniques and administrative skills. Local attorneys and the Teen Court Coordinator combine their time and talents to provide all teen volunteers with thorough training.

Teen Court is a peer program that allows juvenile first offenders with Class C misdemeanors an alternative in the criminal justice system. Teen volunteers serve as the attorneys, bailiffs and clerks, while adult volunteers assist during court sessions as jury monitors and judges. You are welcome to visit any Teen Court session to observe and find out more about our program. If interested, call the Teen Court office at 817-952-2468.
