

EULESS TODAY

CLOSED

Did you know...?
City offices will be closed Monday, May 29th. Trash and recycling services will not be affected.

Dear Citizens,
One of the best times of the year is when we get a chance to celebrate our City's volunteers. Getting involved in your community is easy as there are many opportunities throughout the year. Just scan through Eules Today and you'll see events being held that always need volunteer help. Outside of volunteering for events, we have a variety of Boards and Commissions that need citizens to fill positions, participants in events such as the Christmas parade and departments like Animal Services that always welcome help. Whatever your interest or passion, we have an opportunity for you to get involved. And if you need a little inspiration, enjoy this issue that highlights a few of our great volunteers.

2016 Volunteers of the Year Awarded

Eules volunteers consistently give their time and energy to make our community FabEules. In turn, the City of Eules honors volunteers each year to celebrate the dedication and service of these outstanding people.

Volunteer of the Year - LuAnn Portugal

Variety is the spice of life and no one knows that better than LuAnn Portugal. LuAnn has graciously donated her time and energy to nearly every department in the City of Eules. Those departments include Parks, Library, Planning & Development, Fire and Police to name a few. For the past 14 years she has been a dedicated P&Z Board Member and prior to that served on the Library Board for nine years. In addition, LuAnn volunteers at special events, with the Police and Fire Alumni Associations and is a Lifetime member of the Eules Library Foundation. LuAnn has a real heart for serving her community. She loves Eules and wants to make it the best city it can be.

Planning & Economic Development Director Mike Collins said, "P&Z requires a strong technical knowledge of zoning and development standards along with a good dose of common sense. LuAnn always comes fully prepared to a meeting. She asks good questions and follows her heart if something doesn't seem right."

Library Administrator Sherry Knight said, "She's a passionate library supporter and attends every single library board meeting. She has a real love of the Public Library and everything it stands for."

Volunteer Business of the Year - Lowe's Home Improvement

Lowe's Home Improvement has been a great community partner from the beginning. Most recently they provided some assistance at J.A. Carr Park through the Lowe's

Heroes program that encourages Lowe's employees to team together and adopt a project. Eules Lowe's Manager Candy Bauer and her team chose Carr Park and over 50 employees donated their time to provide some extensive work there including clearing out vegetation and installing a railing along the creek, pressure washing the pavilion, adding mulch to the playground, painting barriers for better visibility, installing a Policeman's Prayer Plaque and a bench as well as removing some concrete slabs from the creek. This beautiful park has been in Eules for many years and now it is even more beautiful than before. Thank you Lowe's for being a part of something bigger.

Volunteer Youth of the Year - Charlotte Lewis

Charlotte Lewis has volunteered for several of our special events since 2015 and has already made a positive impact on our community. Each year she has helped at several special events such as Arbor Daze, Christmas Parade of Lights and Heritage Park Christmas.

Volunteer Coordinator Jerry Poteet said, "Charlotte always has a positive attitude, a winning smile to our residents, and is always willing to help in any way needed."

Volunteer Group Award - Eules Library Foundation

This category is new this year and the first recipient is no surprise. The Eules Library Foundation (ELF) is a non-profit organization of caring volunteers who give gifts of

time, energy, ideas and financial support to the Library and our community. ELF supports the Summer Reading Challenge as well as other special

performances that are not covered by the Library's annual budget. One of the big fundraising efforts is the semi-annual book sale which takes a tremendous amount of volunteer hours year-round. In addition to all of the work that goes into the Book Sale itself, volunteers sort and organize the books throughout the year as donations arrive. They are also passionate about public art and have provided a variety of artwork to the Library that is available to the community in an interesting and educational manner.

*Lifetime Achievement Award -
Leon and Jan Hogg*

Whether it be donations to the Eules Heritage Museum or a special performance at the Leon Hogg Amphitheater, you will see evidence of the Hogg family contributions to the Eules community for many years. Leon and Jan Hogg began their volunteer service in Eules in the 60s when their children played sports. Between softball and baseball they dedicated a great deal of time as active volunteers both on and off the field. They worked hand in hand with the Parks Board to create improvements to the facilities and soon, Leon was appointed to serve on the Parks and Leisure Services Board. From there, he was elected to serve on the Eules City Council and gave 18 years of public service as the longest continuously serving Council Member in Eules. We thank them for their time and dedication to Eules.

Our congratulations go out to all of this year's winners. The dedication of a volunteer's time and energy cannot be compared and we appreciate their love and admiration for Eules. Thank you for the time and energy that you spend to help make Eules great!

Become a Texas Master Composter

May 11-12, 6-9 p.m.

May 13, 8:30 a.m. - noon

Eules City Hall, 201 N. Ector Dr.

May 13, 1:00 - 5:30 p.m.

6 Stones Community Garden

209 N. Industrial Blvd.

Composting is a simple biological process that breaks down leaves, grass clippings, wood chips, brush, and food scraps into a dark, crumbly, nutrient-rich, organic product. It's nature's way of recycling organic matter and returning it to the earth so that it may be used again. It's great for your yard and saves homeowner's money on water, fertilizer and chemicals to combat insects and plant diseases.

This 14-hour course is designed to give students an in-depth look at composting, including its benefits and challenges. Additionally, students will be introduced to vermi-composting (composting with worms), hands-on bin building, and an understanding of the biology of composting. Participants will receive a free composting thermometer at the end of the class, in addition to books and workshop materials for their personal use. Students are expected to provide 20 hours of volunteer time back to the community over a 12-month period to help further environmental education. The first 30 students completing their 20 hours of volunteer time will receive a free backyard composting bin.

The fee for the course is \$20 for residents and \$40 for non-residents and prior registration is required. The registration deadline is May 1. A light lunch will be provided on Saturday. To receive Master Composter Certification, all three days must be attended in addition to completing 20 volunteer hours. For more information and to register, contact Betsy Deck at 817-685-1821.
