THE OFFICIAL PUBLICATION OF THE CITY OF EULESS

# EULESS TODAY

You are invited to attend the Eules Police Department 2019 Peace Officer Memorial Service at the Eules 911 Memorial, May 1, at 9 a.m.

Dear Citizens,  
Do you realize that drowning is the leading cause of accidental death for children ages one to four? Or that nearly 70 percent of children drown during non-swim

time? After everyone's out of the pool and doing something else (such as preparing a meal or watching a game), a child can wander off and enter into a pool, hot tub or any body of water, and drown in as little as 20 seconds.

That is why it's so important to carefully monitor and "lifeguard your child," in and out of the water. I also think it's important to teach children about water safety. You can learn more about preventing drowning by visiting Cook Children's Water Safety Club site: [cookchildrens.org/members/water-safety-club](http://cookchildrens.org/members/water-safety-club).

And of course, everyone should know how to swim. If you or a family member does not know how to swim, please visit the Eules Family Life Center and sign up for lessons. They are offered to individuals of all ages. It's never too late to learn to swim! Please have a safe and fun summer.

*Free class:*

## **Learn to Vermicompost** *(that's with worms!)*

*May 2, 7 p.m.*

*Eules City Hall, 201 N. Ector Dr.*

Do you live in a space that won't allow outdoor composting bins? Are you already an expert in traditional composting and want a new challenge? Come check out this free worm composting class to learn how to create a nutrient-rich organic fertilizer with the help of eco-friendly earthworms!

Becca Knutson, Tarrant Area Food Bank's Community Garden Coordinator will guide the class through the steps of putting together a small, simple vermicomposting system that can be stored inside the home.

Registered workshop participants will be provided with:

- **One 10-gallon (or smaller) storage bin with tight-fitting lid, courtesy of TCEQ Master Composter grant.**
- **1 lb of red wiggler worms**

Workshop participants may bring:

- **One sandwich bag of fruit/vegetable scraps, frozen or fresh (no citrus)**
- **Several sheets of newspaper**

**The materials above will be enough to make one vermicomposting system.**

Space for this workshop is limited and you must register by Monday April 29 to have a bin. Be sure to reserve your spot today by contacting Betsy Deck at 817-685-1821 or [bdeck@eulesstx.gov](mailto:bdeck@eulesstx.gov).

## **Shred Day**

*Saturday, May 4, 10 a.m. - noon*

*Eules City Hall parking lot*

*201 N. Ector Drive*

Protect yourself from identity theft. Bring your unwanted personal papers and documents to this on-site shredding event. The DFW Enrolled Agent Society is providing residential shredding free of charge. Papers may contain thin metals such as staples, paperclips or even rubber bands. Please do not bring CDs, jump drives, three-ring binders or plastic bags. Paper may be brought in standard size "bankers" boxes or paper grocery bags. Up to ten boxes or bags will be accepted from each car.

## **Fill the Boot for MDA**

*May 10, 11, 17 & 18*

*Various locations around Eules*

Give Muscular Dystrophy the Boot by donating to the Fill the Boot campaign. For four days in May, Eules Firefighters will be collecting donations for the Muscular Dystrophy Association (MDA). They will be greeting motorists, shoppers and others and asking them to donate money to the MDA. Those contributions will go to funding new research, supporting MDA care centers and sending children to MDA's Summer Camp. Therefore, when you help a firefighter fill a rubber boot, you are helping MDA's fight to free individuals (and the families who love them) from the harm of muscular dystrophy, ALS and related diseases that take away physical strength, independence and life.

## *Plant and Seed Swap*

*Saturday, May 11, 1 - 5 p.m.*

*Historic Heritage Park, 203 Cullum Drive*

Spring has sprung! It's time to divide your bulbs and thin your plants. Rather than composting the extras, please join us for a free plant and seed exchange at Historic Heritage Park. Bring some of your spare plants, cuttings and seeds to trade for some new beauties to add to your own garden. Are you just starting out and don't have anything to share? Show up anyway and find a few plants to start your garden. For more information, call Betsy Deck at 817-685-1821 or email [bdeck@eulesstx.gov](mailto:bdeck@eulesstx.gov).

*May the Fourth Be With You featuring*

## *"Star Wars: The Last Jedi"*

*Saturday, May 4, 8 p.m.*

*(movie begins at dusk around 8:30 p.m.)*

*Eules Family Life Center Practice Field*

*300 W. Midway Drive*

Watch a fun-filled family movie and help fight hunger at the same time. May the fourth be with you! Join Eules Parks as we showcase Star Wars: The Last Jedi, on Star Wars day! Bring out the family, the lawn chairs and enjoy a great movie! Prizes will be given out to the best costumes! Please bring one canned food item. Call 817-685-1666 for more information. FREE!
