Dear Citizens,

Have you enrolled your children in summer camp? Our City provides a wide variety of summer

camps to suit a wide variety of interests for children ages 3 to 18. Computer coding, art, basketball, soccer, dodgeball, table tennis, public speaking and even college preparation are just some of the camps that are available at affordable fees. Camps can be as short as one hour or last all day. Whatever sparks your child's interest is bound to be offered in a summer camp this year.

I would also like to take this opportunity to welcome back Councilmember Perry Bynum to the Euless City Council. No stranger to our City, Mr. Bynum was first elected to the City Council in 2007, where he served for 11 years. He has once again pledged to work hard for Euless residents to make sure we maintain a high level of service and a great quality of life. Please help me in showing Mr. Bynum our appreciation.

Give a Bubble: Help ELF Reach its \$100,000 Goal

The 2020 remodel of the Mary Lib Saleh Eules Public Library is making progress, but we still need your help to fund the Bubble Wall, a gorgeous art installation inside the library. To date, the Eules Library Foundation (ELF) has raised over \$61,800 of its \$100,000 goal for the Bubble Wall.

The Bubble Wall will include LED color-changing lighting and a completely sealed water system requiring no maintenance. Visitors will be greeted with the changing colors and constant movement of encapsulated bubbles floating up a wall. This beautiful Bubble Wall will be the focal point and highlight of the re-imagined library entrance and public lounge space. At 10 feet tall and 30 feet wide, the glass wall can be enjoyed from either side.

You can see a video of the Bubble Wall design on the ELF website (www.EulesLibraryFoundation.org) and even make a donation. Donations of any amount are accepted and appreciated!

Ways You Can Help Make the Bubble Wall a Reality

For donations of \$250 - \$10,000:

- Limited Edition Eules Library Foundation library card
- Recognition on the final art installation

For donations of \$100 - \$249:

- Limited Edition Eules Library Foundation library card

(The Eules Library Foundation is a nonprofit organization and donations are tax deductible.)

Donate online by using PayPal®, a credit card or an electronic check (echeck). Online payments will incur an 8% processing fee. Or, you can avoid the processing fee by mailing a check to the Eules Library Foundation. For information on other payment methods, email the Eules Library Foundation at admin@www.EulesLibraryFoundation.org.

For more information on the Bubble Wall, contact the Eules Library Foundation at 817-685-1679 or visit www.EulesLibraryFoundation.org.

Movies in the Park

"Mary Poppins Returns"

Saturday, July 13, 8 p.m.

(movie begins at dusk around 8:30 p.m.)

*The Leon Hogg Amphitheater
1951 Bear Creek Parkway*

The magic continues in Disney's classic as Mary Poppins (Emily Blunt) helps the Banks family remember the joy of being a child. Together with her friend, Jack the lamplighter (Lin-Manuel Miranda), fun is brought back to the streets of London in celebration that everything is possible... even the impossible.

This Disney movie is rated PG. Bring your favorite pillow and blanket because it is all lawn seating. There will also be a designated area for lawn chairs. Admission is one food donation per person (canned foods, fruit cups, diapers, etc.) All donated food items will be given to the 6 Stones Mission Network. Concessions will be available for purchase. Call 817-685-1666 for more information.

Community Emergency Response Team Training Starts July 25

If a large-scale disaster occurred, would you know what to do? You can learn basic emergency response skills to help you take care of yourself and your family. The Community Emergency Response Team (CERT) initiative offers a free, nine-week course that teaches such skills as light search and rescue, fire safety and disaster medical operations. Using the training taught in this class, CERT members learn how to assist others in their neighborhood or workplace until first responders arrive. The CERT Program is open to anyone who lives or works in Eules and is at least 18-years-old. The training starts July 25, so register today. To register for this class, call 817-685-1600 or visit www.eulesstx.gov/CERT for an interest card.

Online Water Customer Portal

Are you taking advantage of the online customer water portal? This handy tool helps you manage your water usage, detect leaks and identify unknown water uses, such as a sprinkler system that operates more often than intended. The information it provides can help you conserve water and save money.

The web-based, interactive application is easy to read and use. As a water customer, you can view hourly, daily, weekly or monthly water usage. This helps you make informed choices and gives you more control over your water use and more importantly, your bills.

- Usage – By viewing water usage, you can detect leaks. If you see a big spike in water usage or notice continuous water usage (even when your home is empty), you may have a water leak.
- Alerts – You can create alerts to notify you when you've used a designated amount of water each month or create leak alerts when you go out of town.

Set up your account by visiting www.eulesstx.gov/water. If you have questions or need assistance, call 817-685-1471.

Summer Fun with the Library

Besides having fun, your children can use this time to check out books or log their reading minutes for the HEB Reads! Community Challenge. For more information, call the Eules Public Library at 817-685-1480.
