

**Learn how to make a Festive Tube Bracelet  
Wednesday, December 18 at 6 pm**

### **Supplies:**

**Standard Air Tubing (length depends on wrist size)**

**3mm colored pearls**

**Hot glue**

### **Instructions:**

**You want a length of tubing that, while in a circle, will slide over your knuckles. Squeeze a little bit of hot glue in one end of tube to plug the opening. Fill with beads and plug hole. Use hot glue to join the ends together and you are done.**
