T O D A Y

Dear Citizens,

We are blessed with a number of amazing volunteers in Euleless. Within a very short period of time, the City of Euleless lost two of our Lifetime Achievement Award winners. Richard McNeese and Helen Voss both passed away in February.

Richard was a vital member of the Planning and Zoning Board. However, his dedication and service to our City surpassed 35 years. He has also volunteered on the Parks and Leisure Services Board as well as the Capital Improvement Advisory Committee. Last year, Richard received Euleless' Lifetime Achievement Award for all the contributions he made to Euleless.

Helen contributed her talents to Euleless in a variety of ways. Helen was involved in both the Euleless Citizen's Police & Fire Alumni Associations as well as the Euleless Library Foundation. In addition to serving on the Historical Preservation Committee, she chaired the museum committee in 2012. This large undertaking required orchestrating volunteers and organizing keepsakes before the museum opened its doors. Helen and her husband John received the Lifetime Contribution Award in 2012.

Their contributions will leave a lasting impact on our City and they will both be greatly missed. *Ann Martin*

## *Making Euless More Accessible*

Making City facilities accessible to all is a priority for the City Council. The city's ADA Transition Plan is a road map for addressing identified barriers to access for persons with disabilities. The plan highlights steps that have been taken to improve physical accessibility and program accessibility for residents.

It also shows accessibility initiatives planned for the future.

ADA-compliant projects recently completed include:

- Making the Library fully compliant during its renovation last year
- Addressing all issues for the Parks at Texas Star during its renovation
- Installing compliant picnic tables at all City parks
- Replacing the outdoor pool lift at the Aquatic Park
- Lowering pedestrian entrance buttons at intersections

ADA-compliant projects planned for this year include:

- Building a new Fire Station 1 that is completely accessible
- Fixing slopes in the parking areas of Wilshire Park during an upcoming renovation
- Adding more sidewalks and curb ramps to City streets

The ADA Transition Plan will help the City of Euless provide continued improvements to our facilities in order meet the growing needs of citizens with accessibility. For more information, access the ADA Transition Plan from the Accessibility page at [eulesstx.gov](http://eulesstx.gov), or call 817-685-1439.

## *Splash Pad Opens May 1*

*600 South Main Street*  
*Free*

The South Eules Park Splash Pad is free, family-friendly fun. No matter how hot it is outside, the Splash Pad provides an entertaining way for people of all ages to keep cool. These amenities are great for younger children because they do not present the same drowning hazard as swimming pools.

A magic touch bollard turns on the fun. Interactive spray elements are timed so water only runs when the sprayground is in use. There are several water effects for all children to play in including a raining bucket, an in-ground spray fountain, poles, a colorful misty arch, geysers and a spray column all located on a blue rubber surface.

The tropical landscaping includes banana trees and hardy hibiscus. Two benches and a beach hut shade structure provide a variety of places for parents to stay dry and supervise while children play.

The Splash Pad offers multiple spray features that provide a safe, no cost play environment for children to cool off during the hot weather. Simply press the top of the yellow bollard to start the water features.

This facility is open to everyone and is not available to rent.
