EULESS

T ★ O ★ D ★ A ★ Y

Dear Citizens,

June, July and August are when we are in budget mode. There are several work sessions, public hearings and Council meetings.

It's also the time of year when the City Council becomes strong with our acronym game. We have a number of them such as CCPD, EDC and CIP. If you would like to up your acronym game, those stand for Crime Control and Prevention District, Eules Development Corporation and Capital Improvements Program. Now you see why we use the abbreviations!

If you would like to attend any of these meetings, please join us in person, or watch the meetings on Cable channel 16 or AT&T U-verse channel 99, or streaming video on www.eulesstx.gov. City Council meetings are recorded and archived online, so you can always see current and past meetings.

Please take a minute to get to know your Eules City Council. A brief summary about each of them can be found on page 2-3 of this newsletter. They serve "at-large" in Eules, which means they represent all of Eules rather than just one section of our city.

COMMUNITY NEWS

Asphalt Improvements Coming to Eules Streets

Asphalt overlay is used to protect and restore surfaces of paved roads and to combat the deterioration of the pavement caused by weather and traffic. Routine maintenance such as this helps to extend the life of the road and reduce restoration costs.

The City of Eules has partnered with Tarrant County to perform asphalt overlays on five streets at the end of August. The streets are Vine St., Martha St., Sunset Dr., Whitener Rd. and Simmons Dr. This work will take approximately three weeks to complete. Tarrant County employees will provide the labor and equipment necessary to place a 2-inch overlay on the streets. The City of Eules will furnish and pay for the actual cost of the milling, materials and half of the fuel cost. The milled asphalt is reclaimed and reused on road projects.

By performing asphalt overlays, the City is creating smooth riding surfaces for the present and avoiding costly repairs in the future.

Eules Today is published by the City of Eules.

Meet Your City Council

Mayor – Linda Martin

Linda Martin was elected to the City Council in 2004 and as Mayor in 2014. After retiring from a 35-year career at American Airlines, she became active in the Euless community. She is a member of the Euless Citizens Police Academy Alumni, a charter member of the Citizens Fire Academy and a founding member of the Citizens Fire Academy Alumni Association. She is the Chair of the Euless Development Corporation, volunteers with the HEB Economic Development Foundation, is on the Board of Directors for the Hurst-Euless-Bedford Chamber Commerce as well as a member of the Northeast Leadership Forum.

Place 1 – Tim Stinneford

Tim Stinneford is Senior Property Manager for Trinity Interests. Prior to being elected to the City Council, he served on the Zoning Board of Adjustment and currently serves on the Euless Development Corporation. He is a member of the Citizen's Police Academy Alumni Association, Citizens On Patrol, Citizen's Fire Academy Alumni Association, the Child Abduction Response Team and an inaugural member of the Citizen's Emergency Response Team.

Place 2 – Jeremy Tompkins

Jeremy Tompkins is a Senior Analyst for Southwest Airlines. He formerly served on the City's Planning & Zoning Commission and the Euless Parks and Leisure Services Board. He is a member of the Citizen's Police Academy Alumni Association, the Citizen's Emergency Response Team, a member and Past President of the Citizen's Fire Academy Alumni Association, and volunteer for the Parks Department.

Place 3 – Eddie Price

Eddie Price is a Principal with KBKG, Inc. Prior to being elected to the City Council, he served for many years on the Zoning Board of Adjustment and is a past graduate of the Euless Citizens Fire & Police Academy. Eddie is also a past President of the Morrisdale Neighborhood Association and served for ten years as Treasurer of Career Workshops, Inc., a non-profit organization that helps job seekers in career transition. Eddie currently serves on the board of 6 Stones Mission Network and is actively involved in the Community Powered Revitalization (CPR) program.

Place 4 – Perry Bynum

Perry Bynum is a retired Fire Chief, Emergency Management Coordinator and Emergency Medical Services Coordinator for the City of Haltom City. Before serving as a member of the City Council, Perry was a member of the Euless Planning and Zoning Commission, the Zoning Board of Adjustment, the Euless Crime Control and Prevention District Board and the Euless Citizens Corps Council. He has also served as the Commissioner for the Euless Athletic Association, as well as the President of the Trinity High School Baseball Booster Club.

Place 5 – Harry Zimmer

Harry Zimmer is a retired Professional Engineer. He previously served on the Zoning Board of Adjustment, the Housing and Structure Board and the Economic Development Advisory Board. He also serves on the Boards of the Forest Pointe Estates Owners Association and the Chippeway Park Water Association.

Place 6 – Tika Paudel

Tika Paudel was elected to the Euless City Council in June. He was born and raised in Nepal where he taught math and accounting at both the high school and college level. He has lived in Euless for the past fourteen years and is a small business owner. He also works as a department supervisor at Home Depot and is an active volunteer with his home owner's association where he has held various positions including President over the past decade. He is a member of the Tax Reinvestment Zone Boards #3 and #4.

Don't Let Mosquitos Ruin Your Summer

It's summer and mosquitos thrive in hot weather. Besides being irritating, they can also spread disease, such as West Nile virus, Zika virus and the St. Louis encephalitis virus.

The best way to avoid getting one of these illnesses is to limit your exposure to mosquitos in the first place. You can do this by removing water sources where they breed and putting barriers on your skin.

Lessen mosquito exposure by taking these actions:

- Get rid any type of container in your yard that may hold water, even small amounts
- Empty wading pools frequently and store them indoors when not in use
- Repair leaky pipes and outside faucets
- Change water in bird baths and scrub them twice a week
- If you have outside pets, empty their watering dishes daily
- Clean clogged roof gutters and drain flat roofs
- Treat standing water that can't be drained with *Bacillus thuringiensis israelensis* (Bti), available at most home and garden stores
- When possible, remain indoors at dusk and dawn, when mosquitos are most active
- When outdoors, wear protective clothing or use insect repellent with the active ingredient DEET to avoid exposure to mosquitos

The City of Euless traps mosquitoes weekly in different areas of Euless and Tarrant County tests those mosquitos. If a mosquito is positive for mosquito-borne illnesses, the City of Euless will then spray that area for mosquitoes.

Mosquito spraying is typically done after 10 p.m. when most people are indoors. Spraying will not take place when it's raining or when wind speeds are 10 mph or greater. During the spraying, you do not need to do anything special, since the spray droplets falling on the ground become inactive in just a few hours or with sunshine (UV light).

You can get advance, email notice of mosquito spraying in your neighborhood by signing up for "Community Alerts" at eulesstx.gov/enotification. For questions or concerns regarding mosquitos, please call Public Works at 817-685-1580.

Euless Parks & Community Services

EULESS FAMILY LIFE CENTER

Member Mondays

Grab a treat after your workout for free from 8a-10a on the following dates! Snacks and drinks will be located at the front desk.

Thank you for being a member of the Euless Family Life Center!
