

EULESS TODAY

City offices will be closed September 5 for Labor Day.

Trash and recycling service will run as scheduled.

Dear Citizens,

Have you ever taken a tour of Heritage Park, walked across the Old Iron Bridge or gazed at the trees in the Historic

Tree Grove? If so, then you have seen firsthand some of the wonderful work that the Historical Preservation Committee does. The mission of the Euless Historical Preservation Committee is to preserve and promote an awareness of the historical heritage of the area and to demonstrate how it defines current culture and provides a bridge between yesterday, today and tomorrow. The Committee works to preserve and protect the culture, genealogy, archives, structures and historical treasures of the City.

Volunteers are an essential part of this Committee. If you are interested in volunteering for the Historical Preservation Committee, it is actively looking for new members and it could really use your help. For more information about becoming a volunteer, please call Suzy McCormick at 817-919-1008.

September 11 Ceremony

*Sunday, September 11, 9 a.m.
9/11 Memorial Fire Administration
201 N. Ector Drive*

Please join us for a ceremony to remember the lives of the heroes who were lost during the attack on our nation. The City of Eules is the proud owner of an artifact from the World Trade Center. The artifact is a 12-foot-long, 6,000-pound steel beam from the September 11, 2001, terrorist attacks. This memorial sits in front of the Eules Fire Administration Building as a memorial to the thousands killed that tragic day.

No Drones Allowed at Certain Parks

In partnership with DFW Airport, the City of Eules has prohibited the use of drones at parks within close proximity to the airport. This partnership aims to minimize the risk of an incident between drones and aircraft. Drone use is prohibited at the following parks:

- Villages of Bear Creek Park
- Bob Eden Park
- McCormick Park
- Trailwood Park

For more information about drone usage, call 817-835-4841.

Labor Day is the Last Call for Fun at the Aquatic Park!

300 West Midway Drive

*Labor Day Weekend Hours:
Saturday & Sunday, September 3 & 4,
Noon – 7:00 p.m.*

Monday, September 5, Noon – 6:00 p.m.

Spend Labor Day weekend at the Eules Family Life Aquatic Park. The Aquatic Park is closing for the season after Monday, September 5, so this is your last chance to enjoy the pool and the other aquatic activities this park has to offer.

Bring your entire family to the Aquatic Park. There is something to do for people of all ages. You can float down the lazy river, enjoy the water playground, splash in the fountains, go down the flume slides, hop across the lily pad walk or just relax on the lounge chairs beside the pool. Bring your favorite picnic foods or visit the concession stand, so you can stay all day.

Board and Commission Members

The City of Eules has 14 Boards and Commissions that have been established by City Charter, City Council or State Law. Examples of some of these Board and Commissions include the: Library Board, Crime Control and Prevention District Board, Parks and Leisure Services Board, Planning and Zoning Commission, Animal Shelter Advisory Board and more.

The City Council selects the board members and these appointments are for two or three-year terms. Board appointees perform invaluable public service that can shape the quality of life in Eules and reflect the varied interests that are unique to our community. For more information, contact the City Secretary's Office at 817-685-1434 or visit www.eulesstx.gov/cso.

Solicitors Permit

Eules requires solicitors to wear an identifiable traffic safety vest and an identification badge. If a solicitor appears at your door, ask to see this permit if it's not prominently displayed. The badge will provide the name and address of the solicitor, solicitor's employer, principal or organization, and kind of goods or services to be sold or offered for sale. In hopes to keep deceptive practices out of Eules, solicitors who ask for cash deposits or advance payments for future delivery of services are now required to pay a bond.

Tips to recognize a registered solicitor:

- Must wear a traffic safety vest and visibly display the issued City of Eules badge
- Are not allowed to distribute to a house with a posted sign that says "NO SOLICITORS" or "NO TRESPASSING"
- Are not allowed before 8:30 a.m. or after dark or 9 p.m., whichever is earlier on a given day
- Are not permitted to place a flyer outside a home if there are existing flyers present
- A minor must be under the constant supervision of a person 18 years of age or older

There are a few exceptions to the solicitors' ordinance that do not require registration with the City including: political or religious support or recruitment, and government employees posting code violations, water restrictions, utility outages, burn bans, special event impacts, security issues, etc.

If the solicitor is in any way rude, discourteous or otherwise suspicious, call 9-1-1 and an officer will respond to investigate the situation. The Chief of Police can suspend permits if necessary. For more information or questions regarding this ordinance, please call 817-685-1500.

Tips for Successful Garbage & Recycling

You have three container choices for recyclable materials: blue bags, a 15-gallon bin or a 65-gallon cart. The base rate for recycling is \$1.54 per month and allows you to use blue bags. Blue bags are not recyclable and must be purchased by the resident. A 15-gallon bin or 65-gallon cart both incur an additional monthly charge of \$1.73 per month.

RECYCLING

Recycling is single stream and items don't have to be separated. However, all recyclable materials should be placed inside a blue recycling bag, green bin or rolling cart to avoid confusion. It's best to place flattened, clean cardboard boxes inside the bag, bin or cart, if possible. If not, place the recycling bag or bin on top of the cardboard to prevent it from being picked up with the garbage collection or blown down the street. If there are too many cardboard boxes to fit in the rolling cart, flatten them and place them as close to the recycle cart as possible.

What Can Be Recycled:

- Aluminum Soda Cans
- Corrugated Cardboard Boxes (broken down and flattened so they will not be mistaken as trash)
- Lightweight boxboard containers such as cereal boxes, tissue boxes and other packages (broken down and flattened)
- Paper Products like catalogs, magazines, phone books, junk mail, newspapers and office paper (not shredded paper)
- Wax-coated paper drink containers
- Plastic Bottles with these numbers on the bottom: 1, 2, 3, 4, 5 & 7 (#6 is not accepted)
- Steel or tin cans cleaned of all food contamination
- Unbroken glass bottles and jars of any color

GARBAGE

Trash needs to be in a plastic bag. Bag your trash and securely tie it. You have the option of placing these bags in a container or stacking the plastic garbage bags at the curb.

Some cardboard boxes aren't recyclable. If they are greasy, wet or dirty from other items, they are considered trash and can be placed with your trash receptacle. Likewise, the packing material that is sometimes inside boxes is considered trash, such as Styrofoam, packing peanuts, plastic bubble wrap, etc. For more details regarding the disposal of trash, recyclables, bulk items, green products and hazardous items, visit www.eulesstx.gov/solidwaste.
