Major Jones Promoted to Director of Public Works

Dear Citizens,

This holiday season, make it easy on yourself and shop locally. Patronizing nearby retail stores, restaurants

and service providers can save you time and money. You'll spend less time in traffic and less money on gasoline. Plus, you'll help small business owners who live in Eules and employ local residents.

If you're stumped for ideas, gift cards are a no-hassle option. Besides cards for retail stores or restaurants, you can buy experiential cards too, such as gym memberships, Eules Senior Center memberships, kids' coding classes, golf or dance lessons and so much more.

Small business owners are the foundation of Eules' economy. Because these folks live and work in Eules, they understand the importance of excellent customer service. So, I encourage you to shop and dine locally. Our Eules businesses, their employees and our neighbors appreciate your support.

Linda Martin

Major Jones has been promoted to Director of Public Works and Engineering for the City of Eules. Jones has served the City of Eules since April 2020, first as Senior Engineer and most recently as Assistant Director of Public Works.

He holds a Bachelor of Science degree and a Master of Science degree in Civil Engineering from the University of Oklahoma in Norman, Oklahoma. Jones is a licensed Professional Engineer in the State of Texas and a Certified Floodplain Manager.
