

EULESS

T O D A Y

Dear Citizens,

Have you thought about the importance of the Crime Control and Prevention District Board? Its purpose is to finance all costs

of a crime control and prevention program to decrease the crime rate in Euless. With the approval of the City Council, the board creates a budget each year to fund the Crime Control and Prevention District, and it manages and administers those district funds.

The Crime Control and Prevention District Board is made up of four council members and three volunteers who work with the Police Chief. They channel funds for equipment, technology and staffing to reduce crime and increase public safety. One of the ways that they work to improve the quality of life for our young children is by subsidizing the program, Euless Police Inspiring Champions (EPIC). In this wonderful program, police officers involve children in fun physical activities that promote teamwork, good sportsmanship and a healthy lifestyle. As the officers interact with kids in an encouraging environment, they promote self-esteem and build positive relationships. EPIC is presented at every Euless Elementary School from grades Pre-K through Sixth.

Linda Martin

COMMUNITY NEWS

- Jeremy Tompkins *Place 1*
- Eddie Price *Place 2*
- Perry Bynum *Place 3*
- Harry Zimmer *Place 4*
- Tika Paudel *Place 5*

Arbor Daze 2022

Saturday, April 30, 10 a.m. - 9 p.m.

Midway Park

300 W. Midway Drive

After a two-year hiatus, Arbor Daze is finally back! Join the fun at this ultimate family festival. There will be community entertainment, bounce houses, a ninja nation course, a Kidz Zone, tree giveaways and concessions. You can even enter various food eating contests, where winners will take home some awesome prizes. Bring your own lawn chairs and blankets for all of the live entertainment. For more details and performance schedules, go to www.ArborDaze.org.

A 35-plus year “Tree City USA” recipient, the City of Eules is proud of its many “tree-mendous” accomplishments promoting Arbor Day. Each attendee of the festival will receive a free tree. The urban tree canopy has been dwindling for decades, and the Arbor Daze Festival has given over 200,000 trees since its inception. Most of these trees have been planted in the immediate area to replenish the local tree population. For more information, please call 817-685-1666. If you are interested in volunteering for Arbor Daze, call Chance Boyd at 817-685-1814 or email him at cboyd@eulesstx.gov.

CPR Blitz Volunteers Needed

April 22 - 23, 8 a.m.

6 Stones has revitalized over 763 homes since the inception of the Community Powered Revitalization (CPR) program. You are invited to join the dozens of volunteers to help veterans and struggling homeowners make necessary repairs to their houses or yards. Volunteers are assigned a home at check in. A light breakfast and lunch is provided. Please bring gloves, ladders, rakes, shovels and push brooms if you have them.

Register online at www.6stones.org/cprvolunteer and fill out a volunteer waiver ahead of time.

Kites Over Eules

*Saturday, April 2, noon - 2 p.m.
Bear Creek Park
1951 Bear Creek Parkway*

Join Eules Parks & Community Services for our Kites over Eules and Earth Day clean up event! Bring your family, friends and your kites to fly around the park. No kite? No problem! Pick up trash and litter to exchange for a kite (while supplies last) with our on-site staff. For more information, please call Chance Boyd at 817-685-1814 or email him at cboyd@eulesstx.gov.

Mystery Lunch for Seniors

*Tuesday, April 26, 11:40 a.m.
Senior Center
300 W. Midway Drive*

Members of the Eules Family Life Senior Center are invited to attend a Mystery Lunch. Once a month these seniors go out to a local restaurant where they get to visit with their friends and dine on delicious food. There is a different destination each month, and the suspense of where the group is going will keep you on your toes as you try to solve the riddle of the next Mystery Lunch destination.

This group meets on the fourth Tuesday of each month. Members are responsible for covering their own cost of lunch. Lunch cost varies. Registration is required.

Create & Learn

Kids Online Coding Classes

Are you looking for fun kids' activities this month? Create & Learn is offering live online coding classes that will help your kids unleash their creativity with cool technology!

Create & Learn's Computer Science curriculum was designed by a team of passionate and dedicated tech and education experts from companies like Google and Apple, graduates of Stanford, Harvard and MIT, and teachers with many years of Computer Science education experience.

Whether your kids want to start learning coding with beginner-friendly Scratch, or love to create their own Minecraft games, we have the best online classes for you!

For more information please call 817-685-1666 or you may email Recreation Coordinator, Alexander Harvey at aharvey@eulesstx.gov

For more information please call (817) 685-1666 or you may email Recreation Coordinator, Alex Harvey at aharvey@eulesstx.gov

Everyone's
Responsibility!

Keeping Our Drinking Water & Waterways Clean

“April Showers Bring May Flowers,” but they can also contaminate our City’s water supply. When rain falls, the water soaks into the ground or flows over the land, picking up and carrying pollutants to lakes, rivers and oceans. The sediments and dissolved materials carried to our waterways can directly affect our drinking water.

All of the contaminants that enter our waters are called non-point source pollution (NPS). Unlike pollution that can be traced to a single source, with NPS pollution there is no factory, no single pipe, no single point that can be identified, monitored and regulated. Instead, NPS pollution is a result of millions of individual actions, which makes it difficult to control. Because we all contribute to the problem, it is everyone’s responsibility.

What Can You Do?

- Properly dispose of household chemicals
- Choose nontoxic chemicals for your lawn and garden
- Compost grass clippings and leaves
- Sweep, do not wash, fertilizer and soil off driveways and walkways
- Never allow pet waste to wash into storm drains
- Repair oil leaks from motor vehicles immediately
- Recycle used oil and oil filters
- Do not hose spilled brake fluid, oil, grease and antifreeze into the street
- Never throw litter in streets or down storm drains
- Inspect septic systems every year and pump out every two to five years

Small changes in one’s behavior may seem insignificant, but when multiplied by the entire community, it adds up! Do your share to keep our waters clean. For more information on reducing NPS pollution, call 1-800-CLEANUP, or visit the website, Earth911.com.
