

EULESS TODAY

Dear Citizens,

I want to congratulate Demetrie Washington, Code Compliance Inspector for the Police

Department, on being chosen as the 2022 Employee of the Year. Demetrie serves our City and the Police Department with passion and pride. He's an excellent example of what makes our city "FabEuless."

At the age of 12, Demetrie began volunteering at Arbor Daze and the Euless Recreation Center. After graduating from Trinity High School, he joined the City as a part-time worker in the Recreation Department in 2001. He then started working for the City full-time as a Public Safety Officer in 2004. Demetrie was promoted to Lead Public Safety Officer before taking on his current role as Code Compliance Inspector in 2020. In addition to his regular duties, Demetrie also works with the David Hofer Summer Camp, the Euless Police Inspiring Champions (EPIC) program for young kids and countless other community events.

Thank you, Demetrie, for your dedication and for all your contributions to this great city of ours.

Midway Park
300 W. Midway Drive

Join the free fun at this ultimate family festival. There will be community entertainment, bounce houses, a ninja nation course, a Kidz Zone, tree giveaways and concessions. You can even enter various food eating contests, where winners will take home some awesome prizes. Bring your own lawn chairs and blankets for all of the live entertainment. For more details and performance schedules, go to www.ArborDaze.org.

A 35-plus year "Tree City USA" recipient, the City of Euless is proud of its many "tree-mendous" accomplishments promoting Arbor Day. Each attendee of the festival will receive a free tree. The urban tree canopy has been dwindling for decades, and the Arbor Daze Festival has given over 200,000 trees since its inception. Most of these trees have been planted in the immediate area to replenish the local tree population. For more information, please call 817-685-1666. If you are interested in volunteering for Arbor Daze, call Chance Boyd at 817-685-1814 or email him at cboyd@eulesstx.gov.

Monitor Your Water Bill in Real Time

Are you taking advantage of the online customer water portal? This handy tool helps you manage your water usage, detect leaks and identify unknown water uses, such as a sprinkler system that operates more often than intended. The information it provides can help you conserve water and save money. The web-based, interactive application is easy to read and use. As a water customer, you can view hourly, daily, weekly or monthly water usage. This helps you make informed choices and gives you more control over your water use and more importantly, your bills.

- Usage – By viewing water usage, you can detect leaks. If you see a big spike in water usage or notice continuous water usage (even when your home is empty), you may have a water leak.

- Alerts – You can create alerts to notify you when you've used a designated amount of water each month or create leak alerts when you go out of town. Set up your account by visiting www.eulesstx.gov/water.

If you have questions or need assistance, call 817-685-1471.
