Dear Citizens,

The start of 2024 is sure to bring new and exciting improvements throughout the City. Be on the lookout for all the new

development when driving around town. You will notice a variety of projects in progress; whether park renovations, new business openings, or street improvements, there is a lot going on.

Economic development continues throughout the City. In Glade Parks, the construction of At Home, a home goods retailer is progressing. Two new restaurants recently opened; Cava and Piada Italian Street Food, and we are excited to welcome these new businesses to Euless. Renovations continue at Wilshire Park, and once completed, residents will be able to enjoy this beautiful recreation area. Water Improvement Projects near Midway Park, Oakwood Terrace, and South Main are underway.

Additionally, the State Highway 121 and Cheek-Sparger/Mid Cities traffic signal timing, lane configuration, and sidewalk improvements project overseen by TxDOT has an estimated completion date of late 2024.

Euless is so generously blessed. Thank you for your continued support as we strive to keep Euless FabEuless! Lastly, I want to wish your family a very Happy New Year!

Limit one bag per person. The Parks Department may work with residents on additional quantities if available. For more information, call 817-685-1650.

How to Protect the 4 P's in Freezing Weather

Winter is here, so it's time to review the 4 P's (people, pets, plants and pipes) and how to protect them when the temperature drops below freezing.

People:

- If you lose power, wear layers of clothing (including gloves and hats) and use blankets or sleeping bags to stay warm.
- Never turn on your car in the garage as a way to stay warm.
- Never use a stove or oven to heat your home.
- Never turn on an outdoor grill inside the house to generate heat.
- Never operate a generator inside the home, including the basement or garage.

Pets:

- Bring outdoor dogs and cats inside when it is 45 degrees or colder, especially if the pets are ill, young, old, thin or have short fur.
- If you can't bring pets inside, provide them with a warm, insulated shelter with the opening pointed away from the wind and ensure that their water isn't frozen.

Plants:

- For plants that aren't winter hardy, bring them indoors.
- Cover outdoor plants with frost cloth (floating row cover) and secure the cloth with bricks, rocks or other heavy objects. Old sheets, blankets or burlap also work.

Pipes:

- Slowly drip water from indoor faucets to prevent pipes from freezing, especially if the faucets are on an outside wall.
- Open cabinets under these faucets to allow heat to come in.
- Disconnect garden hoses from outdoor faucets.
- Cover outdoor pipes and faucets with Styrofoam covers, or wrapped and secured towels if you don't have covers.
- Turn off automatic sprinkler systems.
- If your pipes freeze or burst, promptly call City of Euless Public Works to have the water turned off at the meter to avoid a potential issue when the pipes thaw.

Helpful Numbers:

- Report power outages to Oncor at 1-888-313-4747 or stormcenter.oncor.com
- Report gas issues to Atmos at 1-866-322-8667
- For assistance turning off your water, contact Euless Public Works at 817-685-1580
- For after-hours assistance, please contact non-emergency dispatch at 817-685-1526

Wanted!

HEB Teen Court Volunteers

The HEB Teen Court is looking for adult and teen volunteers. Volunteering for Teen Court is a great way to serve your community. The minimum age for teen volunteers is 13. Teens and adults work together to provide defendants the opportunity to take responsibility for their actions, while learning about the justice system. Teen volunteers learn public speaking skills, interviewing techniques and administrative skills. Local attorneys and the Teen Court Coordinator combine their time and talents to provide all teen volunteers with thorough training.

Teen Court is a peer program that allows juvenile first offenders with Class C misdemeanors an alternative in the criminal justice system. Teen volunteers serve as the attorneys, bailiffs and clerks, while adult volunteers assist during court sessions as jury monitors and judges. You are welcome to visit any Teen Court session to observe and find out more about our program. If interested, call the Teen Court office at 817-952-2468.
