THE OFFICIAL PUBLICATION OF THE CITY OF EULESS

EULESS TODAY

City Offices will be Closed January 1

Dear Citizens,

As we say goodbye to 2024, it's time to focus on all the amazing things happening within our City, including the

opening of several eateries that are sure to meet your dining needs. So if you're hungry for dumplings, chicken, cheeseburgers, cobbler, gelato, or macarons, you can satisfy those cravings locally.

Work on Fire Station No. 2 continues, and we look forward to announcing a grand opening celebration soon. Additionally, renovation work continues at the Police Department and Municipal Court, and soon we will start the improvements and expansion of the Animal Services facility. During renovations, Animal Services will be relocated to a temporary location at 201 W. Euleless Blvd.

Last but certainly not least is our annual Town Hall meeting on January 16. I hope you will have a chance to come hear what all we have planned for our FabEuleless City and get to meet our wonderful Council Members and staff.

Essential Tips for Dealing with Winter Weather

Most people think of covering water pipes and outdoor plants when freezing weather is approaching. However, there are "4 P's" to consider when the temperature dips. The 4 P's are: people, pets, plants and pipes. Learn how to protect the 4 P's before the next cold snap hits.

People:

- During extreme weather, check on your neighbors, especially the elderly.
- If you lose power, wear layers of clothing (including gloves and hats) and use blankets or sleeping bags to stay warm.
- Never turn on your car in the garage as a way to stay warm.
- Never use a stove or oven to heat your home.
- Never turn on an outdoor grill inside the house to generate heat.
- Never operate a generator inside the home, including the basement or garage.

Pipes:

- Slowly drip water from indoor faucets to prevent pipes from freezing, especially if the faucets are on an outside wall.
- Open cabinets under these faucets to allow heat to circulate around the pipes.
- Disconnect garden hoses from outdoor faucets.
- Cover outdoor pipes and faucets with Styrofoam covers, or wrapped and secured towels.
- Turn off automatic sprinkler systems.
- If your pipes freeze or burst, promptly call City of Euless Public Works to have the water turned off at the meter to avoid a potential issue when the pipes thaw.

Pets:

- Bring outdoor dogs and cats inside when it is 45 degrees or colder, especially if the pets are ill, young, old, thin or have short fur.
- If you can't bring pets inside, provide them with a warm, insulated shelter with the opening pointed away from the wind and ensure that their water isn't frozen.

Plants:

- For plants that aren't winter hardy, bring them indoors.
- Cover outdoor plants with frost cloth (floating row cover) and secure the cloth with bricks, rocks or other heavy objects. Old sheets, blankets or burlap also work.

Helpful Numbers:

- Report power outages to Oncor at 1-888-313-4747 or stormcenter.oncor.com
- Report gas issues to Atmos at 1-866-322-8667
- For assistance turning off your water, contact Euless Public Works at 817-685-1580
- For after-hours assistance, please contact non-emergency dispatch at 817-685-1526
