Treat Mom to a wonderful brunch buffet at Raven's Grille (reservations required). The HEB Reads! summer reading challenge kicks off on May 17 with free STEM kits, games, and activities. May also offers perfect weather to explore our local parks, playgrounds, and walking trails. On May 24, the Eules Family Life Aquatic Park opens for the season, so bring the family out for a splashing good time.

Did you know our Recreation Center offers adult and adolescent swim lessons? Statistics show that drowning is the leading cause of accidental deaths in children under 5. So, sign up for swim lessons today to ensure you and your loved ones stay safe and confident in the water this summer at our FabEules Aquatic Park!

Splash Pad Opens May 24

***South Eules Park
600 South Main Street
Free***

The Splash Pad is free, family-friendly fun. No matter how hot it is outside, the Splash Pad provides an entertaining way for people of all ages to keep cool. These amenities are great for younger children because they do not present the same drowning hazard as swimming pools.

A magic touch bollard turns on the fun. Interactive spray elements are timed so water only runs when the sprayground is in use. There are several water effects for all children to play in, including a raining bucket, an in-ground spray fountain, poles, a colorful misty arch, geysers, and a spray column all located on a blue rubber surface. Two benches and a beach hut shade structure provide places for adults to stay dry and supervise while children play.

Aquatic Park Opens May 24

***300 West Midway Drive
Daily Fee for Residents: \$5
Daily Fee for Non-Residents: \$10***

Spend the summer at the Eules Family Life Aquatic Park! Enjoy the 545-foot long lazy river on provided inner tubes, or relax on the lounge chairs beside the pool. The zero-depth entry interactive water playground is available for young ones to enjoy fountains, slides, and water falling from a raindrop bucket. Parents can supervise the activities on the tranquil waterfall bench with continuously flowing water to help keep cool.

Older children with a sense of adventure can choose from two flume slides and one run-out slide (48-inch height requirement) that are 28 feet high, play basketball in the pool, or test their agility on the lily pad walk (48-inch height requirement). The Aquatic Park offers both shaded and non-shaded seating areas with picnic tables and lounge chairs around the pool, as well as a concession stand and bathhouse. Lifejackets are available upon request at no charge.
