T O D A Y

City offices will be closed on September 1. Trash and recycling will run as normal.

Dear Citizens,

There's a lot of exciting progress happening across our City facilities. We recently celebrated the opening of Fire Station No. 2, located at 2301 W. Pipeline Road.

I encourage everyone to drive by and see the impressive new building and its onsite training tower.

The Animal Shelter renovation remains on schedule, with an estimated completion in late December 2025/early January 2026. Over at the Police & Court facility, construction is progressing towards a mid-fall 2026 completion. Crews are currently removing the old exterior façade to prepare for new brick and stone finishes.

At the Texas Star Golf Course and Conference Centre, interior restroom upgrades are nearly complete, and renovations to the golf course and pavilion are well underway, with an expected reopening in October 2025.

In the meantime, Raven's Grille is open and serving delicious meals. Be sure to stop in, enjoy the great food, and visit with the amazing staff. For current hours, visit texasstargolf.com.

These ongoing improvements highlight the City's strong commitment to enhancing public spaces and delivering exceptional community services.

CPR Blitz Applications Wanted

Do you own a house that needs exterior work that is beyond your ability to repair? If so, then apply for the Community Powered Revitalization (CPR) program. This program is a joint effort between 6 Stones, the cities of Hurst, Eules, Bedford, Grapevine, businesses, nonprofit organizations, and churches to help struggling homeowners make necessary home repairs. The CPR program provides help to homeowners who are in the greatest need of assistance and are unable to perform the necessary work themselves.

Each Fall and Spring, CPR brings volunteers together to work on houses of those in need. Homeowners must meet income qualifications and at least one of the following: be 62 or older, a veteran or the spouse of a veteran, disabled, handicapped, or a single parent with minor children at home. If selected, volunteers come to your home and do exterior work, such as scraping, painting, clean up, and yard work.

The next CPR event is October 17 and 18, so get your applications in today. For an application and to determine if you are eligible for this program, please visit www.eulesstx.gov/cpr or call 817-685-1600.
